Unified Command Group Leads and ESF Leads –

GOHSEP will host and facilitate a Hurricane Discussion based Table Top Exercise (TTX) tomorrow, (Thursday, August 18, 2016) beginning at 2pm in the GOHSEP overwatch room.

This exercise in mandatory for UCG Primary ESF Agency Secretaries (see below) and their ESF lead. Due to room restrictions, only Primary ESF agencies are required to participate.

Primary Agencies – **GOHSEP; DOTD; DOA; LANG; CPRA; SFM; LDAF; DCFS; LWC; LDH; LDEQ; LSP; DNR; PSC; DOJ; DWLF**

If your Primary agencies is responsible for multiple ESF's, please bring the appropriate ESF Lead personnel.

The discussion will begin with a briefing of our current state conditions and we will use our State/Federal Timeline to initiate dialogue in order to identify current capabilities and gaps in order to effectively respond to a Hurricane of the magnitude that would require a full SOUTHEAST LOUISIANA evacuation.

Secretaries should be prepared to identify their resource limitation under these current conditions and begin necessary planning in order to mitigate these limitations.

Thanks - Cg
