Wednesday, June 11, 2014

Meeting opened at noon by President Andy Galliano at the Port Commission Center located on Louisiana Highway 1. Commissioners present were Andy Galliano, Bob Sevin, Ambrose Besson, and Perry Chighizola. Commissioner Terrill Pizani was absent.

A motion was made by Commissioner Sevin, seconded by Commissioner Chighizola and unanimously agreed to approve the minutes from May 14, 2014 and May 21, 2014 as read.

A motion was made by Commissioner Sevin, seconded by Commissioner Besson and unanimously agreed to accept the financial report as read.

The commissioners decided to install a new electrical pole at the Commercial Dock and authorized Mr. Keller to take care of this project. Dirt is needed to file in the gaps where rocks are along the bulkhead close to the ADA Dock. Mr. Keller will get a price for dirt to file in the gaps.

Mr. Lawrence Leiche thanked the port for the new ADA Fishing Pier. He stated that he has used the fishing area and seen others use it as well.

Mr. Keller stated that Wildlife and Fisheries dredged their canal on port property and placed the spoils on the port property. Time is needed to dry out the material so we will be able to drive or use the area where the spoils are located.

Mr. Besson stated that we are having problems with boat owners parking their boats in slips that are already rented. The port lawyer is authorized to investigate to see if our property is private or public boat docks.

A motion was made by Commissioner Besson, seconded by Commissioner Sevin and unanimously agreed to authorize up to \$500.00 to go to the dedication of the ADA Dock and Fishing Pier.

A motion was made by Commissioner Besson, seconded by Commissioner Chighizola and unanimously agreed to adjourn the meeting 12:40 pm.
