

NINETEENTH LOUISIANA LEVEE DISTRICT

A public meeting was held on Wednesday, September 13, 2022, at 4:20 p.m. in the Grant Parish Police Jury meeting room.

Members present were: Gordon Smith and Bill Dean.

Absent was member Fren Allen.

Guest present were: Susan Douglas DOTD, Jonathan Lachney DOTD, Jarmarquis Torrence DOTD, and Paul Trimble MML & H.

President Gordon Smith called the meeting to order.

Paul Trimbel presented bound copies of the Operation Plan and maintenance to the members for them to review. A vote will be taken at next meeting to adopt or deny the plan. The plan is identical to RAB.

Paul Trimbel confirmed that the Gate is repaired and in operation, they are finishing the fencing at Rigolette and then the work will be complete.

Susan Douglas informed board that Femma is pulling data from National levee bas to set price for flood insurance. Susan informed that there is a meeting October 5th in Natchitoches at the Red River Waterway Commission with USGS speaking a geo physical survey and the Corp will be addressing inspection schedule.

Other business discussed was the bike trail that some individuals are trying to get on the Red River levee.

Progressive Construction co., needing a place to store bulk heads.

RAB doing contract mowing in Rapides Parish.

Grant Parish relief valve.

Meeting was adjourned by President Smith and second by Bill Dean.

I hereby certify that the forgoing is a true and exact copy of the board meeting held on September 13, 2022.

Kim Vallee, Clerk
