With regard to old business, the Executive Director reported to the Commission Members, pursuant to the direction of the Commission at the last meeting, the staff had e-mailed the Bulletin to new motor vehicle manufacturers and dealers regarding the supplier's pricing advertising.

May 30, 2014

BULLETIN #B-2014-001

TO: All New Motor Vehicle Manufacturers and Dealers
FROM: L. A. House, Executive Director
RE: Advertising of "Supplier Pricing" and "Supplier Prices"

The staff of the Louisiana Motor Vehicle Commission has noticed a proliferation of the use of the term "supplier pricing" and/or "supplier prices" in the advertising for sale of new motor vehicles to the retail consumer.

Question Presented:

Can a new motor vehicle manufacturer or a new motor vehicle dealer advertise that the retail consumer can obtain "supplier pricing" and/or "supplier prices" in the purchase of a new motor vehicle.

Answer:

The answer is **NO!**

Why?

Rule 757 of the advertising rules and regulations of the Louisiana Motor Vehicle Commission have provided since January 2008, that terms such as "fleet prices," "fleet sales," "suppliers prices," or other terms implying that retail individual customers will be afforded the same price and/or discount as multi-purchase commercial businesses shall not be used in advertising.

As such, a manufacturer or dealer advertising "supplier pricing," "supplier prices," or words of similar import in the offering for sale of new motor vehicles to retail individual consumer is in violation of the laws, rules and regulations of the Louisiana Motor Vehicle Commission and is subject to enforcement action by the Louisiana Motor Vehicle Commission.

The Executive Director reported representatives of the Chevrolet Local Marketing Association ("LMA") requested attendance at today's meeting to address the supplier's pricing issue. At this time, the Chairman opened the floor for Claude Reynaud, Attorney of LADA to address "LMA"'s concern regarding this issue. Mr. Reynaud stated that the supplier's pricing is a General Motors' established price that is passed onto its customers during this campaign. Mr Reynaud continued by stating supplier's pricing is not a dealer pricing. Mr. Reynaud requested on behalf of the "LMA" that the Commission to withdraw the bulletin. After much discussion and review of a General Motors pricing sheet that clearly listed a definite and specific supplier price which must be utilized, according the General Motors rules of the program, as the cash sales price of the vehicle to retail individual customers in the calculation of the final sales price, Commissioner Hocevar made a motion to allow General Motors and its dealers to utilize supplier pricing in the current General Motors campaign, however any further amendments to Bullegin B-2014-001 would have to be decided on a case by case basis. Commissioner Hargroder seconded this motion and it was unanimously approved. The Commission instructed the staff to send out a new bulletin to announce this decision.

The Executive Director presented to the Commission Members an e-mail correspondence from Danielle Cooley, Promotions Manager of Jack Morton Worldwide, on behalf of Chevrolet to Neil Rogers, Commission Investigator on June 4, 2014, requesting approval for new motor vehicle off-site display:

"Chevrolet requests permission to display Chevrolet vehicles and conduct a ride and drive at the Southern Sportsman's Festival & Expo at the Alario Center in Westwego, Louisiana on August 15-17. Chevrolet would like to participate to support the local community in Louisiana.

The ride and drive will take place onsite at the Alario Center. It will stay on the property in the parking lot and field in the back. As a plan B if there is rain we will drive down Segnette Boulevard and make a U-turn to come back.

Chevrolet requests the opportunity to staff the vehicle display and ride and drive with an event manager, promotion specialists and product specialists who can provide vehicle feature information to consumers. These individuals are employed by a 3rd party vendor and are not employed by any dealership nor are they able to discuss dealer pricing or sell vehicles onsite. This staff would act as a brand ambassador giving consumers Chevrolet vehicle information.

Chevrolet also request the opportunity to conduct lead generation through this staff by offering attendees of the show a premium item (i.e., hat, shirt) in exchange for him/her to fill out a card with their contact information. This contact information will be submitted through Chevrolet's approved system which follows privacy acts and laws.

We appreciate your consideration of our request. Please do not hesitate to contact us with any questions."

After a brief discussion, Commissioner Hocevar made a motion to approve Jack Morton Worldwide's request to display eight new Chevrolet vehicles, ride and drive, and staff product specialists at the Southern Sportsman's Festival & Expo at the Alario Center in Westwego, Louisiana on August 15 to 17, 2014. Commissioner Hargroder seconded this motion and it was unanimously approved.

The Executive Director presented to the Commission Members an e-mail correspondence from Henry Li, Regional Market Associate of Jack Morton Worldwide, to Neil Rogers, Commission Investigator on May 28, 2014, requesting approval for new motor vehicle off-site display:

"The Super Chevy Dealers of Baton Rouge are partnering with the Cabela's in Gonzales to put on a Ride & Drive Program. The dealers are going to conduct a Ride & Drive and have several vehicle displays at Cabela's in Gonzales.

The Super Chevy Dealers of Baton Rouge would like to request permission to display 5 Chevy vehicles and use 5 Chevy vehicles to conduct a Ride & Drive program at Cabela's in Gonzales. This event will be fully executed by a third party outside vendor, STI. Every participant who partakes in a test drive will receive a \$10 gift card to Cabela's. People who participate in our static display Measure-up Challenge will receive a multi tool.

The vehicles will be provide by the Super Chevy Dealers and each dealership that is going outside their jurisdiction has received approval from the dealership within the area that the event is taking place at. The dealership that provided approval is Supreme Chevrolet.

The event dates are August 15-17, 2014 during store hours.

We appreciate your consideration of our request. Please contact me with any questions you might have."

After a brief discussion, Commissioner Corley made a motion to deny the distribution of Cabela's gift cards to attendees and to approve Jack Morton Worldwide's request for five new Chevrolet vehicles for display, five new Chevrolet vehicles for ride and drive, the presence of staff product specialists and the distribution of multi tools at Cabela's in Gonzales, Louisiana on August 15 to 17, 2014. Commissioner Bent seconded this motion and it was unanimously approved.

The Executive Director presented to the Commission Members for their review the completed Fiscal Audit Compliance Questionnaire for the fiscal year of 2013-2014. After a brief discussion, Commissioner Duhon made a motion to approve Fiscal Audit Compliance Questionnaire. Commissioner Hocevar seconded this motion and it was unanimously approved.

After a brief discussion, it was decided that the next regularly scheduled commission meeting would be held on November 17, 2014 instead of November 10, 2014, due to Veterans Day, which is a state holiday.

With regard to old business, a discussion ensued regarding the Governor's veto of SB No. 318. Commissioner Duhon made a motion to enforce the law by sending a cease and desist order to all manufacturers to stop paying warranty claims to unlicensed vendors. Commissioner Timmons seconded this motion and it was unanimously approved.

The Executive Director advised the Commission Members a pre-hearing had been on May 19, 2014, pursuant to LSA-R.S. 49:961C, regarding Bertucci #2014-006, Tarver Automotive Group, L.L.C.
