VI. New Business:

A. Litter Free Campaign – Next Step: Businesses - We had a good turn-out at the Litter Free Campaign Kickoff. There were about 75 people attending and helping to clean up our community. We picked up about 80 bags of trash. Comm. Blouin gave thanks to Community Legion for setting up of all the tables and chairs for our function. We appreciate all of their help. We also want to thank Michelle Miller for supplying us with ice, etc.; Mrs. Coaxum, owner of McDonalds for our refreshments after the clean-up. All of their help was greatly appreciated and helped make it a success.

VII. Old Business

A. Port of New Orleans Master Plan meeting – feedback: Ms. Editha Amacker, Urban Planner and ENONAC Consultant, attended the meeting on May 24 at the Port of New Orleans building and stated the Port was given final approval to their Master Plan and updated their plan. She said that much of the property in NOE is our wetlands and is not to be developed but they want to develop within 5 years. All we can do now is keep up with what the Port is doing in our area and follow-up. She spoke about the two properties near the Entergy proposed plant site were changed from wetlands to industrial. We need to watch to see how they want to develop the land in the East. The Port Master Plan is their own plan. Councilperson Nguyen is meeting with the Port on these issues and still has some questions about their plans. She will set up a visit to the Port and stated anyone interested in going with her can attend. She will let us know the dates.

VIII. Community Info

A. Villa Sites/South Shores is having their 3rd Tricentennial event on Tuesday, June 17, 2018 at St. Maria Goretti Center from 5:30 – 7:30pm

B. Physicians Medical Plaza has an Open House on Thursday, June 21, 2018, 4-6pm at 5646 Read Blvd. 70127

C. Rite Aid at Lake Forest and Bullard has merged with Walgreens. It is believed the building is too large to place a dollar store there because it is over 10,000 sq. ft. We will be watching to see what they try to put in that building.

D. Lake Shore Landing: you can add your email to their website for updates on this to keep up with them. It was asked why Dockside Restaurant is not opening where Bally's used to be. Try to go and support their restaurant.

E. We will be getting Officer Dema back for Quality of Life. The Blight Stat meeting will not continue on Thursdays. We need to try to attend Non-Pac meetings at NOPD on the 3rd Wednesday of the month. We need more NOE people to attend.

VIII. Announcements

A. We are going to start asking stores in the East to stop using plastic bags in order to try to clean up our community. The bags are thrown all over as soon as they come out of the stores.
