Reported by Elizabeth A. Brock

1 MR. BONVILLAIN:

2 Okay. Everybody who is coming is  
3 here, so we're going to go ahead and get  
4 started. It might be a little bit early.  
5 Board of Certification and Training for  
6 Solid Waste Management Operators will come  
7 to order. October 8, 2019, 1:15, in Lake  
8 Charles.

9 Role call, Ms. Bordelon, please.

10 MS. BORDELON:

11 Danny Hylton?

12 MR. HYLTON:

13 Here.

14 MS. BORDELON:

15 Jason Creel?

16 Beau LaGrange?

17 MR. LAGRANGE:

18 Present.

19 MS. BORDELON:

20 Dr. Ricardo de Abreu?

21 DR. de ABREU:

22 Here.

23 MS. BORDELON:

24 David Greene.

25 MR. GREENE:

1                   Here.

2           MS. BORDELON:

3                   Connie Henry.

4           MS. HENRY:

5                   Here.

6           MS. BORDELON:

7                   Gary Bonvillain?

8           MR. BONVILLAIN:

9                   Here.

10          MS. BORDELON:

11                   Wes Wyche?

12                   Mia Townsel?

13          MS. TOWNSEL:

14                   Here.

15          MR. BONVILLAIN:

16                   Okay. On the agenda, we've got  
17                   election of Chairman and Vice Chairman.  
18                   We're going to move that to the end, if  
19                   nobody has any objection. It was placed  
20                   at the beginning because Ms. Bordelon  
21                   didn't realize that I was on the Board.

22                   Okay. Review of the July 16, 2019  
23                   minutes. Everybody received a copy via  
24                   e-mail.

25                   Is there any changes to those

1 minutes?

2 Would anybody like to make a motion  
3 to approve the minutes as sent out?

4 Don't all jump at one time, now.

5 Can I get a motion to approve the  
6 minutes?

7 MR. LAGRANGE:

8 I move, Mr. Chair.

9 MR. GREENE:

10 Second.

11 MR. BONVILLAIN:

12 Moved by Mr. LaGrange, seconded by  
13 Mr. Green.

14 Are there any objections to the  
15 motion?

16 Hearing none, the motion passes.

17 Okay. Consideration of operator  
18 certifications.

19 Did you pass out the one for Brent  
20 Broussard to everybody?

21 MS. BORDELON:

22 Yes.

23 MR. BONVILLAIN:

24 Okay. First one we have is Brent  
25 Broussard, Incinerator Waste Handling,

1 Level A.

2 MS. BORDELON:

3 If y'all want to take a minute and  
4 look this over. It was just handed to me  
5 this morning, so.

6 MR. LAGRANGE:

7 Mr. Chairman, a question: This  
8 facility? What is it? What they are  
9 doing? Maybe Mia knows.

10 MR. BONVILLAIN:

11 American Advanced Technologies in  
12 Houma.

13 MS. TOWNSEL:

14 We have in-house, but I'm not quite  
15 certain which Type II-A it is. I'd have  
16 to go back and look in the files and see  
17 exactly what they're doing. I'm not  
18 certain right now.

19 MR. HYLTON:

20 Doesn't appear to be an incinerator,  
21 though, from what his duties are.

22 MS. TOWNSEL:

23 No, no. It's probably something  
24 like -- I don't know if it's a grease trap  
25 facility or -- I don't think it's medical

1 waste. But if y'all want me to make a  
2 quick phone call and find out, I can.

3 MR. LAGRANGE:

4 Well, whatever it is, if you look at  
5 his explanation of duties, from experience  
6 he has experience. It seems like he would  
7 meet that requirement from his experience.

8 MS. TOWNSEL:

9 Do you want me to find out what type?

10 MR. BONVILLAIN:

11 Ms. Townsel can go ahead and make a  
12 call, if y'all want. We can just set it  
13 off to the side for now.

14 MS. BORDELON:

15 I will make one comment to -- that he  
16 made to me this morning. I don't recall  
17 that, but he had brought his application  
18 before the Board back in 2009, and the  
19 Board had approved it in 2009, but he had  
20 never come and taken the test. So, I told  
21 him it was just -- probably we needed to  
22 just reapprove it, because it been so  
23 long.

24 MR. BONVILLAIN:

25 Yeah, it's a completely different set

1 of Board members.

2 MS. BORDELON:

3 Yeah.

4 MR. HYLTON:

5 I would just like to know what they  
6 do.

7 MR. BONVILLAIN:

8 Okay. Ms. Mia will try to find out  
9 for us.

10 MS. TOWNSEL:

11 Okay.

12 MR. BONVILLAIN:

13 Okay. So, we won't do anything on  
14 him right now.

15 MS. BORDELON:

16 You need to move Yolanda to the top  
17 so she can do that.

18 MR. BONVILLAIN:

19 Oh, you want to do that right now?

20 MS. BORDELON:

21 Yeah.

22 MR. BONVILLAIN:

23 Okay. While we're waiting on that,  
24 we'll go ahead and ask Ms. Yolanda  
25 Righteous to give a presentation on the

1 conference for Lafayette proposed agenda,  
2 which she handed out.

3 MS. RIGHTEOUS:

4 Okay. Did everybody get a copy?

5 As you know, we had to make sure that  
6 we have ten hours for the certified  
7 operators. This is not a complete agenda,  
8 but it's the portion of the agenda that's  
9 most relevant to the certified operators.  
10 We will likely have an agenda that  
11 includes topics related to air, water, the  
12 industrial sector, remediation,  
13 underground storage tank.

14 So, this is mainly the portion of the  
15 agenda, like I said, that's for the  
16 certified operators. And as you can see,  
17 there's more than ten hours available for  
18 the certified operators to get the  
19 required ten hours. And, if you look,  
20 just to give you an example, you'll notice  
21 that say, for instance, if you come down  
22 the agenda at the 1:00 to 1:30 time slot  
23 on Thursday, you'll notice that there are  
24 two topics. It's just -- it just kind of  
25 shows you the, I guess, number of topics

1           that we actually have, and so we'll have  
2           probably five tracks on the agenda. The  
3           agenda is going to pretty much follow the  
4           format of previous agendas. We'll have  
5           five, maybe six tracks. And there's some  
6           topics on the back of the page as well.

7           MR. BONVILLAIN:

8                     Does anybody any questions for  
9           Ms. Righteous?

10                    Okay. So, today you're asking us to  
11           approve ten hours of credit for the  
12           course?

13           MS. RIGHTEOUS:

14                     Yes. Yes.

15           MR. BONVILLAIN:

16                     Okay. Anybody want to make a motion?

17           MR. GREENE:

18                     I'll make a motion.

19           MR. BONVILLAIN:

20                     I have a motion by Mr. Green.

21           DR. de ABREU:

22                     I'll second.

23           MR. BONVILLAIN:

24                     Seconded by Dr. de Abreu that we  
25           grant ten hours of continuing education

1 credit for the proposed agenda for the  
2 conference in Lafayette.

3 Any discussion?

4 Is there any objection to the motion?

5 Hearing none, the motion passes.

6 You're welcome to stay if you want to  
7 stay, but if you want to leave you're  
8 welcome to leave, too.

9 Okay. We'll continue with the  
10 applications. The next one is Nicholas  
11 Chreene, Landfill, Level A.

12 Next one, Joseph Davidson, Landfill,  
13 Level B.

14 Next one is Tara Dupaty, Landfill,  
15 Level B.

16 MR. HYLTON:

17 I have a question there, I just don't  
18 know what it is.

19 I guess it's the work history. This  
20 person has only been an equipment operator  
21 since April of this year. Prior to that  
22 was an AP clerk or am I missing something?

23 MR. GREENE:

24 I was going to ask the same about  
25 just how long for Class B they have to

1           have experience. I'm sorry I don't know  
2           that.

3           MR. BONVILLAIN:

4                     It's two years experience for Class  
5           B --

6           MR. GREENE:

7                     Okay, then.

8           MR. BONVILLAIN:

9                     -- which is what she's apply for.

10          MR. LAGRANGE:

11                     Yeah, Class B.

12                     And on -- for experience, she was an  
13          Accounts Payable clerk, and before that  
14          for several years lead scale operator.  
15          And she previously held a Level B license  
16          since 2005. She missed her  
17          recertification hours, so that's why she's  
18          going back through --

19          MR. GREENE:

20                     Right. She worked for --

21          MR. LAGRANGE:

22                     -- the recertification process.

23          MR. HYLTON:

24                     So, she's already had a B?

25          MR. LAGRANGE:

1                   Yeah.

2           MR. HYLTON:

3                   Well, then work history doesn't  
4           matter if she already had it.

5           MR. LAGRANGE:

6                   Right.

7           MR. BONVILLAIN:

8                   I'd be kind of hard to deny it if she  
9           already had a license. Okay.

10                   Eric Hart, Landfill, Level B.

11           DR. de ABREU:

12                   I had a question about this one. It  
13           doesn't seem that he describes his work  
14           from 2007 to 2013. It shows that he  
15           worked at the landfill, but it doesn't  
16           show what type of work he did.

17           MR. GREENE:

18                   Are we speaking of --

19           MR. BONVILLAIN:

20                   Well, then he's got '13 to the  
21           present.

22           MR. GREENE:

23                   -- Eric Ray Hart?

24           MR. BONVILLAIN:

25                   Yeah.

1 MR. GREENE:

2 Yeah, it says he's worked there from  
3 '13 to the present at Jeff Davis -- or  
4 Jefferson Parish with his --

5 DR. de ABREU:

6 I thought that was 2018.

7 MR. LAGRANGE:

8 Yeah, I did, too. But looking at his  
9 previous work was -- well, he terminated  
10 employment in 2013 --

11 MR. GREENE:

12 Right.

13 MR. LAGRANGE:

14 -- then the next day he went to  
15 Jefferson Parish.

16 MR. BONVILLAIN:

17 Yeah. So, he's got plenty of  
18 experience at Jefferson Parish.

19 DR. de ABREU:

20 Uh-huh (yes).

21 MR. BONVILLAIN:

22 Richard Isgitt, Landfill, Level A.  
23 And he was previously certified.

24 MR. HYLTON:

25 On the last item on there, super --

1 signature of current supervisor, how  
2 important is that?

3 MR. BONVILLAIN:

4 Well, I think Mr. Isgitt is not  
5 employed right now; is that right, David?

6 MR. GREENE:

7 He's -- yeah, he's not employed --  
8 from a landfill.

9 MS. BORDELON:

10 Yeah.

11 MR. BONVILLAIN:

12 Yeah.

13 MR. GREENE:

14 At this point, he did work for --  
15 well -- for us, just until recently.

16 MR. BONVILLAIN:

17 Okay. Brandon Murry. This is a  
18 C & D, Level B.

19 MR. LAGRANGE:

20 Excuse me, but we skipped David  
21 Jones?

22 MS. BORDELON:

23 Actually, yes, we did. And the  
24 reason being is because he is now going to  
25 request a conditional instead of a

1 Landfill, Level A, because he -- actually,  
2 Wes brought to my attention yesterday he  
3 does not have a diploma or GED, which you  
4 have to have for a Level A. So, when I  
5 contacted Dawn Thibodeaux yesterday and  
6 pointed it out to her, she wanted -- they  
7 wanted to request a conditional instead.  
8 And he is going to replace Ricky Falgout,  
9 who was their Level A. And --

10 MR. HYLTON:

11 Well, how can he have a B -- an A if  
12 he doesn't meet the requirements?

13 MS. BORDELON:

14 Well, he's in -- she stated that he  
15 is in the process of obtaining a GED.

16 MR. HYLTON:

17 Okay.

18 MR. BONVILLAIN:

19 Okay. Brandon Murry C & D, Level B.  
20 He's actually been on temporary  
21 certificates for two years, so.

22 MS. BORDELON:

23 And he passed his test in March of  
24 this year, earlier.

25 MR. BONVILLAIN:

1                   That was the first time he passed the  
2                   test?

3                   MS. BORDELON:

4                   Yeah. He took the test back in  
5                   March.

6                   MR. BONVILLAIN:

7                   Okay. But he's been on conditional  
8                   certificates for two years?

9                   MR. LAGRANGE:

10                  No. No, he's just on conditional.  
11                  He worked for a year before he applied for  
12                  a conditional, I think.

13                  MS. BORDELON:

14                  Yeah.

15                  MR. BONVILLAIN:

16                  Okay. Okay.

17                  MS. BORDELON:

18                  It was the second extension  
19                  request --

20                  MR. BONVILLAIN:

21                  All right. Okay.

22                  MS. BORDELON:

23                  -- and then he passed the -- yeah.

24                  MR. BONVILLAIN:

25                  I read that -- I interpreted it

1 wrong.

2 MS. BORDELON:

3 Okay.

4 MR. BONVILLAIN:

5 Anthony Nunez, C & D, Level B.

6 Walter Parks, Landfill, Level B.

7 Eric Pederson, C & D, Level A.

8 DR. de ABREU:

9 So -- on Pederson so the issue is  
10 that he didn't resubmit the application  
11 for recertification within three months  
12 after it expires; is that correct?

13 MR. BONVILLAIN:

14 Correct.

15 MS. BORDELON:

16 Right.

17 DR. de ABREU:

18 And, in those cases, what needs to be  
19 done?

20 MR. BONVILLAIN:

21 They have to --

22 MS. BORDELON:

23 They have to retest.

24 MR. BONVILLAIN:

25 -- they have to retest.

1 DR. de ABREU:

2 Oh, they have to retest.

3 MR. BONVILLAIN:

4 Right.

5 DR. de ABREU:

6 So, it's the same issue that we have  
7 with Richard Isgitt?

8 MS. BORDELON:

9 Yes.

10 MR. BONVILLAIN:

11 Right, the same -- yeah, the same  
12 thing.

13 MS. BORDELON:

14 Yeah.

15 DR. de ABREU:

16 Okay.

17 MR. BONVILLAIN:

18 They have to retest if they don't do  
19 it within three months of the expiration  
20 date.

21 MS. BORDELON:

22 After their expiration, right.

23 DR. de ABREU:

24 Thank you.

25 MR. BONVILLAIN:

1           Okay. Ms. Townsel, what did you find  
2 out for us?

3 MS. TOWNSEL:

4           Used oil processing facility.

5 MR. BONVILLAIN:

6           Okay. Used oil processing facility.

7 Okay. We'll go back to --

8 MS. BORDELON:

9           Brent Broussard.

10 MR. BONVILLAIN:

11           -- Brent Broussard, Level A,  
12 Incinerator waste handling, used oil  
13 processing facility.

14 MR. LAGRANGE:

15           Looking at all of his experience, he  
16 has ample years of experience in this  
17 waste handling operation, but also he's  
18 held various different positions:  
19 Facility manager, vice president, and then  
20 operations manager at another facility, US  
21 Filter in Bayou Vista. So, I think he's  
22 got plenty of experience.

23 MR. BONVILLAIN:

24           Okay. Next we go to review request  
25 for conditional certification.

1           First one Peggy Ross, Landfill, Level  
2           B. She is replacing regularly certified  
3           operator Judy Ortego who left in January  
4           of '19.

5           MR. LAGRANGE:

6           Excuse me, Mr. Chairman. Did we vote  
7           on these?

8           MR. BONVILLAIN:

9           We vote on -- we need to vote now?

10          MR. LAGRANGE:

11          You go to the next agenda item.

12          MS. BORDELON:

13          Yes, we do.

14          MR. BONVILLAIN:

15          We do? Okay.

16          All right. We'll wait on the  
17          conditionals. Ms. Bordelon, could you go  
18          ahead and read off the applications we  
19          have approved?

20          MS. BORDELON:

21          Nicholas Chreene, Landfill, Level A;  
22          Milas Davidson, Landfill, Level B; Tara  
23          Dupaty, Landfill, Level B; Eric Hart,  
24          Landfill, Level B; Richard Isgitt,  
25          Landfill, Level A; Brandon Murry, C & D,

1 Level B; Anthony Nunez, C & D, Level B;  
2 Walter Parks, Landfill, Level B; Eric  
3 Pederson, C & D, Level A; and Brent  
4 Broussard, Incinerator, Level A.

5 MR. BONVILLAIN:

6 Do I hear a motion to approve the  
7 applications?

8 MR. LAGRANGE:

9 Moved, Mr. Chairman.

10 MR. BONVILLAIN:

11 Moved by Mr. LaGrange.

12 DR. de ABREU:

13 Second.

14 MR. BONVILLAIN:

15 Seconded by Dr. de Abreu.

16 Any objection to the motion?

17 Hearing none, the motion passes.

18 Okay. Conditional certification.

19 First one Peggy Ross, Landfill, Level B,  
20 replacing a regularly certified operator.

21 MR. LAGRANGE:

22 I move to approve, Mr. Chairman.

23 MR. BONVILLAIN:

24 And a motion by Mr. LaGrange.

25 MS. HENRY:

1                   Second.

2                   MR. BONVILLAIN:

3                   Seconded by Ms. Henry to approve the  
4                   conditional certification for Peggy Ross.

5                   Any objection to the motion?

6                   Okay. Hearing none, the motion  
7                   passes.

8                   Request -- review request for  
9                   conditional certifications --

10                  MS. BORDELON:

11                  Did you go back to David Jones?

12                  MR. BONVILLAIN:

13                  Okay. David Jones, as Ms. Bordelon  
14                  explained, he was actually applying for a  
15                  Landfill, Level A, but since he does not  
16                  have his high school diploma or GED, he is  
17                  requesting a conditional. He is replacing  
18                  a regularly certified operator.

19                  MR. LAGRANGE:

20                  I move to approve, Mr. Chairman.

21                  MR. BONVILLAIN:

22                  A motion by Mr. LaGrange.

23                  MR. GREENE:

24                  I second.

25                  MR. BONVILLAIN:

1                   Seconded by Mr. Greene to approve the  
2 conditional for David Jones.

3                   Any objection to the motion?

4 MR. LAGRANGE:

5                   Just a comment, I guess. A  
6 clarification. I mentioned that I read,  
7 say, for a regular certificate you have to  
8 have a minimum of a high school diploma or  
9 equivalent.

10 MR. BONVILLAIN:

11                   That's correct.

12 MR. LAGRANGE:

13                   So, I know he's conditional. He --  
14 if he does apply for a regular  
15 certificate, he would need to meet those  
16 requirements.

17 MR. BONVILLAIN:

18                   That's correct.

19 MR. GREENE:

20                   Correct.

21 MR. HYLTON:

22                   And how long can he stay conditional?

23 MR. BONVILLAIN:

24                   That's at the Board's discretion. In  
25 a normal situation, they're getting a

1 conditional because they don't have the  
2 experience. So, you have a set time frame  
3 for them to get that experience. In his  
4 case, he's got to get his GED. There is  
5 no set time frame on that. That's  
6 strictly up to the Board as to how long  
7 they want to extend that condition.

8 MR. HYLTON:

9 Okay.

10 MR. BONVILLAIN:

11 And there's nothing specific in the  
12 regulations about it.

13 MR. LAGRANGE:

14 So, when we sent him a conditional  
15 certificate, is there an expiration date  
16 on it?

17 MS. BORDELON:

18 Six months.

19 MR. BONVILLAIN:

20 It's six months. It's still six  
21 months.

22 MR. LAGRANGE:

23 Okay.

24 MR. BONVILLAIN:

25 The question is: How many extensions

1           are you going to give him? And that would  
2           be up to the Board that's in place at the  
3           time he comes up for renewal or -- of the  
4           conditional.

5           MR. GREENE:

6                     And he's got experience, and he has a  
7           SWANA certificate, so.

8           MR. BONVILLAIN:

9                     And, I mean, it's not like he doesn't  
10          know what is doing. You know --

11          MR. GREENE:

12                     Right.

13          MS. HENRY:

14                     Right.

15          MR. BONVILLAIN:

16                     -- he know's what's going on.

17          MR. GREENE:

18                     Right.

19          MR. BONVILLAIN:

20                     Okay. Request for conditional  
21          certification extension for Dalton Carter,  
22          Richard LeBouef --

23          MR. LAGRANGE:

24                     Wait. We didn't vote --

25          MR. BONVILLAIN:

1 Oh, we --

2 MR. LAGRANGE:

3 -- we had comments on that motion.

4 MR. BONVILLAIN:

5 We didn't vote on it?

6 MS. BORDELON:

7 Huh-uh (no).

8 MR. BONVILLAIN:

9 Okay. Do I hear a motion to approve  
10 the conditional for David Jones?

11 MR. LAGRANGE:

12 We have a motion and a second.

13 MR. BONVILLAIN:

14 Oh, we didn't vote on it.

15 MR. LAGRANGE:

16 Right.

17 MR. BONVILLAIN:

18 That's right. We interrupted the  
19 vote.

20 MR. LAGRANGE:

21 You asked if anyone had an objection,  
22 I said I had a comment.

23 MR. BONVILLAIN:

24 That's correct. You're right.

25 All in favor of issuing a conditional

1           for David Jones?

2                    Are there any objections to issuing a  
3 conditional?

4                    Hearing none, the motion passes.

5                    Okay. Review request for conditional  
6 certification extensions for Dalton  
7 Carter, Richard LeBouef, and David  
8 Woodson.

9           MS. BORDELON:

10                   And Keith Daigle.

11           MR. BONVILLAIN:

12                   And Keith Daigle.

13                   All have taken the appropriate class  
14 and passed the test?

15           MS. BORDELON:

16                   Yes.

17           MR. BONVILLAIN:

18                   Okay.

19           MR. LAGRANGE:

20                   I move to grant the extensions of the  
21 conditionals for those four.

22           MR. BONVILLAIN:

23                   Okay. A motion by Mr. LaGrange.

24           MS. HENRY:

25                   Second.

1 MR. BONVILLAIN:

2 Seconded by Ms. Henry that the  
3 conditional certifications for Dalton  
4 Carter, Richard LeBouef, David Woodson,  
5 and Keith Daigle be granted.

6 Any objection to the motion?

7 Hearing none, the motion passes.

8 Re-certifications.

9 MS. BORDELON:

10 Wait a minute. We have to do that  
11 application from John --

12 MR. GREENE:

13 John, yeah.

14 MR. BONVILLAIN:

15 Okay. I was reading -- okay.

16 Application from John Ovella, which  
17 was tabled from the March 2019 meeting. I  
18 think we had requested --

19 MS. BORDELON:

20 It's probably going to be on the very  
21 bottom of the stack. That's it.

22 MR. BONVILLAIN:

23 That's it.

24 We had requested additional  
25 information about his actual work

1           experience, because the original  
2           application was somewhat vague.

3                     And he is requesting a C & D,  
4           Level A.

5           MR. GREENE:

6                     I see where he's trying. He's taken  
7           his test and his operators, trying to get  
8           certification, doing his hours. But I --  
9           unless I'm just not reading this  
10          correctly, I just don't see the experience  
11          on anything, just what he's trying to do.  
12          Is that we were trying to clarify last  
13          time?

14          MR. BONVILLAIN:

15                     Yeah.

16          MR. GREENE:

17                     I mean, I can be way wrong on this,  
18          but.

19          MR. BONVILLAIN:

20                     I think the question was: Did he  
21          have the actual hands-on experience --

22          MR. GREENE:

23                     That's --

24          MR. BONVILLAIN:

25                     -- I believe was the question.

1 MR. LAGRANGE:

2 Yeah, it seems like through the, I  
3 guess, the heavy construction, Durr -- is  
4 it Durr Heavy --

5 MS. BORDELON:

6 Yeah.

7 MR. LAGRANGE:

8 -- heavy construction role. I mean,  
9 he's had a hand in a lot of a different  
10 things.

11 MR. GREENE:

12 Yeah.

13 MR. LAGRANGE:

14 And -- which, part of it has been  
15 affiliated with the operating of the  
16 Gentilly Landfill. The question is, as  
17 you said, how much of it has been really  
18 directly on that versus the other --

19 MR. GREENE:

20 That's the only thing I question.

21 MR. LAGRANGE:

22 -- Durr's heavy construction.

23 MR. GREENE:

24 And hopefully -- I thought maybe  
25 somebody would know of this gentleman.

1 MR. LAGRANGE:

2 And because of the -- it's a Level A,  
3 his construction experience doesn't count  
4 toward his experience. Is that correct,  
5 Mr. Chairman?

6 MR. BONVILLAIN:

7 That's correct, unless you're  
8 constructing landfills.

9 MR. GREENE:

10 Correct.

11 MS. TOWNSEL:

12 And it's for a conditional?

13 MS. BORDELON:

14 No.

15 MS. TOWNSEL:

16 Okay. So, it's --

17 MR. GREENE:

18 It's regular.

19 MS. TOWNSEL:

20 Okay.

21 MR. LAGRANGE:

22 A regular certificate.

23 MR. HYLTON:

24 Well, it does say that back in the  
25 beginning his construction projects were

1 related to Gentilly Landfill.

2 MR. LAGRANGE:

3 Apparently so.

4 MR. GREENE:

5 It doesn't -- it doesn't state that.

6 MR. HYLTON:

7 It doesn't say exactly that, but --

8 MR. WYNN:

9 It doesn't -- he doesn't even have  
10 the college degree.

11 MS. HENRY:

12 I think in his cover letter --

13 MR. LAGRANGE:

14 It says he has a bachelor of arts  
15 degree, but it doesn't say what it's in.

16 MR. BONVILLAIN:

17 It doesn't indicate --

18 MR. LAGRANGE:

19 A bachelor of science degree.

20 MR. GREENE:

21 I'm sure he's doing everything, it's  
22 just this is still vague to me. Instead  
23 of just answering A, B, C, D. And I'm a  
24 simple person. Maybe in between the lines  
25 this is it, but I'm saying at this point

1 in time I would request -- if he can't  
2 provide somebody from the Gentilly  
3 Landfill saying, Hey, what's he do there?

4 That's all I know, but I'm not for  
5 this at this time.

6 MR. LAGRANGE:

7 Mr. Chairman, a question.

8 MR. BONVILLAIN:

9 Yes.

10 MR. LAGRANGE:

11 If he has a bachelor of science  
12 degree, is that -- does it have to be --  
13 in the regs -- that's --

14 MR. BONVILLAIN:

15 It's got to be -- having to do with  
16 engineering.

17 MR. LAGRANGE:

18 Yeah, that's what I thought --

19 MR. BONVILLAIN:

20 Engineering or environment.

21 MR. LAGRANGE:

22 Environmental-related degree, and  
23 that offsets one year.

24 MR. BONVILLAIN:

25 That offsets one year. Still need

1 two years.

2 MR. LAGRANGE:

3 And he says in here he started  
4 working directly with the president of  
5 Gentilly in 2017. So, he may potentially  
6 have two years solid waste experience, but  
7 he doesn't say what his bachelor of  
8 science degree was in on his application.

9 MR. BONVILLAIN:

10 Would y'all like him to come to a  
11 meeting in person?

12 I'm just throwing that out there.  
13 Today's my last day, so, I mean, it's --  
14 y'all are the ones who will deal with it  
15 if you don't do it today.

16 MR. HYLTON:

17 You've got to straighten this mess  
18 out.

19 MR. LAGRANGE:

20 It seems like, you know, we requested  
21 more information in March, and I see where  
22 Suzanne sent him a letter and then we  
23 didn't get anything for the July meeting  
24 and then you sent him another e-mail to  
25 remind him in September --

1 MR. HYLTON:

2 It's not a top priority for him.

3 MR. LAGRANGE:

4 -- to remind him, and then he sent  
5 this letter --

6 MS. BORDELON:

7 No, actually, in July he called me  
8 when we were in Shreveport the day of the  
9 meeting and said, Hey, can I send you my  
10 information?

11 And I was like, Today? We're meeting  
12 today. I was, like, it's too late. I  
13 need it ahead of time.

14 MR. LAGRANGE:

15 And so he sent this, but he still --  
16 seems like, as David said, there's more --  
17 still some vagueness or something missing  
18 in addition to what his degree was in,  
19 too. That could be a --

20 MR. GREENE:

21 And he could have it, if his degree's  
22 in environmental or science --

23 MS. HENRY:

24 Can we call him? He has his cell  
25 number on this cover letter. Rather than

1 keep on putting this off.

2 DR. de ABREU:

3 Okay. The regs says you have to have  
4 an engineering degree, that's the only  
5 thing. It doesn't say environmental or  
6 management.

7 MS. BORDELON:

8 Wait. It says and an engineering  
9 degree.

10 DR. de ABREU:

11 Yeah.

12 MR. BONVILLAIN:

13 Okay. Do y'all want to try to give  
14 him a call?

15 MS. TOWNSEL:

16 Yes.

17 MS. HENRY:

18 Yes.

19 MR. HYLTON:

20 Yes.

21 MR. BONVILLAIN:

22 Okay. Let's if he answers the phone.

23 John, this is Gary Bonvillain with  
24 the Board of Certification and Training.

25 We're reviewing your application for a

1 Level A certification and some of the  
2 members have some questions they'd like to  
3 address to you. If you could call me back  
4 at 337-945-6777. We'll be still meeting  
5 for about the next ten or fifteen minutes.  
6 Please give me a call back.

7 I'll put it back -- off to the side  
8 so I can hear it if it rings.

9 Okay. So, we'll just set him off to  
10 the side for right now.

11 Okay. Review of applications for  
12 recertification. Okay. Jason Creel Level  
13 A, all certificates; Brian Demarest,  
14 Incinerator, Level A; Connie Henry, Level  
15 A, all certificates; Henry "Bo" LaGrange,  
16 Level A, all certificates; Chris  
17 Alexandre, Landfill, Level B; and Stanley  
18 Watts, Landfill, Level B.

19 All of these have completed their 40  
20 hours of training?

21 MS. BORDELON:

22 Yes.

23 MR. BONVILLAIN:

24 Okay. Do I hear a motion to approve  
25 recertification of the above-named

1 individuals?

2 MS. HENRY:

3 On Chris, it's Chris St. Alexandre,  
4 for the record.

5 MR. BONVILLAIN:

6 Okay. I thought that was a middle  
7 name. Okay. Chris St. Alexandre. Thank  
8 you.

9 Do I hear a motion to approve  
10 recertification?

11 MS. HENRY:

12 So moved.

13 DR. de ABREU:

14 I move.

15 MR. BONVILLAIN:

16 Moved by Ms. Henry, seconded by Dr.  
17 de Abreu that we approve the  
18 recertification for the above-named  
19 individuals.

20 Are there any objections to the  
21 motion?

22 Okay. Hearing none, the motion  
23 passes.

24 Okay. Incomplete recertification  
25 Calvin Johnson, Landfill, Level B.

1                   Is he attending the session today?

2           MS. HENRY:

3                   Yes. He's here.

4           MR. BONVILLAIN:

5                   And that will complete his 40 hours?

6           MS. HENRY:

7                   Yes.

8           MR. BONVILLAIN:

9                   Okay. Do I hear a motion to approve  
10                   recertification for Calvin Johnson upon  
11                   proof of the attendance at today's  
12                   sessions.

13           MS. HENRY:

14                   So moved.

15           MR. BONVILLAIN:

16                   Moved by Ms. Henry.

17           MR. GREENE:

18                   Second.

19           MR. BONVILLAIN:

20                   Seconded by Mr. Greene.

21                   Any objection to the motion?

22                   Okay. Hearing none, the motion  
23                   passes.

24                   Okay. Issuance of operator  
25                   certificates. Ms. Henry, could you

1           approve -- I mean, read the list of  
2           approved applications?

3           MS. BORDELON:

4                     Ms. Henry can't, but I will.

5           MR. BONVILLAIN:

6                     I mean -- I'm sorry, Ms. Bordelon.

7           MS. BORDELON:

8                     Nicholas Chreene, Landfill, Level A;  
9           Milas J. Davidson, Landfill, Level B; Tara  
10          M. Dupaty, Landfill, Level B; Eric R.  
11          Hart, Landfill, Level B; Richard W.  
12          Isgitt, Landfill, Level A; Brandon G.  
13          Murry, C & D, Level B; Anthony W. Nunez, C  
14          & D, Level B, Walter S. Parks, Landfill,  
15          Level B; Erik B. Pederson, C & D, Level A;  
16          Brent Broussard, Incinerator, Level A.

17          MR. BONVILLAIN:

18                     Do I hear a motion to approve the  
19           issuance of the certificates?

20          MR. LAGRANGE:

21                     So moved.

22          MR. BONVILLAIN:

23                     Moved by Mr. LaGrange.

24          DR. de ABREU:

25                     Second.

1 MR. BONVILLAIN:

2 Seconded by Dr. de Abreu.

3 Any objection to the motion?

4 Okay. Hearing none, the motion  
5 passes.

6 Okay. We have our committee reports.

7 Awards, Mr. Hylton?

8 MR. HYLTON:

9 Nothing to report.

10 MR. BONVILLAIN:

11 Testing, Mr. LaGrange?

12 MR. LAGRANGE:

13 Thank you, Mr. Chairman. Since I was  
14 absent at the last meeting and I read the  
15 minutes and saw what a wonderful job  
16 Ms. Bordelon did giving my report, I'll  
17 ask her to do it again for this meeting.

18 MS. BORDELON:

19 Okay. We had eleven test and all  
20 passed.

21 MR. BONVILLAIN:

22 Very good.

23 Okay. Continuing education, that was  
24 Mr. Barber's committee.

25 Ms. Connie, can you tell us what our

1 situation is for today?

2 MS. HENRY:

3 We have 81 people present today.

4 MR. BONVILLAIN:

5 Eighty-one. That's almost a record,

6 huh?

7 MS. HENRY:

8 It is a record.

9 MR. BONVILLAIN:

10 Okay. Nominating committee,

11 Ms. Henry?

12 MS. HENRY:

13 I'm going to defer to Ms. Bordelon,  
14 please.

15 MS. BORDELON:

16 Okay. So, we have -- I received  
17 Danny's letter from the Police Jury  
18 Association, nominating him for another  
19 three-year term. It has not yet been  
20 signed by Dr. Brown as of yet. That's  
21 only because I've not yet drafted the  
22 letter for his signature. But it --  
23 actually, I just got the letter in -- his  
24 letter in this -- right before I came in  
25 the meeting.

1                   And, let's see, Bubba's -- is your  
2 replacement.

3 MR. BONVILLAIN:

4                   Correct.

5 MS. BORDELON:

6                   Your letter -- his letter has been  
7 signed. A letter was sent to LMA asking  
8 for a nomination to replace Troy. I have  
9 not yet received anything back on his  
10 replacement yet. And that's it.

11 MR. BONVILLAIN:

12                   Okay. Next item we have is the  
13 request for approval of CEUs from  
14 Dr. Ricardo de Abreu. And, this is a  
15 little bit unusual circumstance. We've  
16 never had an instructor come and ask to  
17 receive credit for teaching a course.

18                   But, Dr. de Abreu, would you like to  
19 kind of go over what the situation is?

20 DR. de ABREU:

21                   Yes. I'm -- this semester, I am  
22 teaching a class graduate-level class at  
23 the University of New Orleans. And I have  
24 attached the syllabus of the course  
25 showing that I have at least -- there are

1 at least 40 hours of contact classes, plus  
2 I have the hours that I had to go to --  
3 spend on preparing the materials for the  
4 class, course preparation, and also  
5 grading.

6 I have to tell that being a -- it was  
7 a learning experience for me, having so  
8 many things that I didn't know, and thanks  
9 to this course that I'm teaching now I  
10 know. Specifically, on some cases like  
11 collection and solid waste processing that  
12 I have to do a lot of the research and see  
13 what people do around the country and also  
14 around the world to be able to teach this  
15 class on these topics.

16 So, I would like to request the Board  
17 to approve this course that I'm teaching  
18 upon completion, and that be able to give  
19 me 40 hours CEUs for this course, if you  
20 agree.

21 MR. BONVILLAIN:

22 Do you take test -- a sign-in sheet  
23 to be sure that you're there for class?

24 DR. de ABREU:

25 I don't have a sign in sheet for it,

1           okay? I can get you one.

2           MR. LAGRANGE:

3                 Sure. Your check stub, maybe.

4           MR. BONVILLAIN:

5                 Does anybody have a questions for

6           Dr. de Abreu?

7                 Okay. Do I hear a motion?

8           MR. LAGRANGE:

9                 Yes, you do. I move to award the 40  
10           hours.

11           MR. BONVILLAIN:

12                 Okay. Motion by Mr. LaGrange.

13           MS. HENRY:

14                 I'll second.

15           MR. BONVILLAIN:

16                 Seconded by Ms. Henry that we approve  
17           40 hours of continuing education for  
18           Dr. de Abreu for the course that he's  
19           teaching at UNO.

20                 Any further discussion?

21                 Is there any objection to the motion?

22                 Okay. Hearing none, the motion  
23           passes.

24                 Okay. And as Ms. Bordelon said,

25           Bubba Wynn is with us today. He will be

1 my replacement, and I think everybody  
2 knows Bubba, so there's really no need to  
3 introduce him.

4 So, the next item we have is the  
5 election of chairman and vice chairman.  
6 The floor is now open for nominations for  
7 chairman.

8 MS. HENRY:

9 I nominate Bo for the chairman.

10 MR. BONVILLAIN:

11 Okay. I have a nomination for Bo  
12 LaGrange for chairman.

13 Are there any other nominations?

14 Are there any other nominations?

15 Are there any other nominations?

16 Okay. The nominations are closed,

17 Mr. LaGrange is elected by acclamation.

18 Mr. LaGrange, would you like to take  
19 over the seat?

20 MR. LAGRANGE:

21 I'll let you finish -- close -- close  
22 the meeting. Since, you're still on the  
23 Board until midnight tonight.

24 MR. BONVILLAIN:

25 There you go. Okay. Nominations are

1 now open for vice chairman.

2 You can nominate yourself, by the  
3 way.

4 MS. HENRY:

5 Ricardo, would you like to be vice  
6 chair?

7 DR. de ABREU:

8 I was going to nominate you.

9 MS. HENRY:

10 I decline.

11 DR. de ABREU:

12 Well, I accept your nomination.

13 MR. BONVILLAIN:

14 Okay. I have a nomination for  
15 Dr. de Abreu.

16 Are there any other nominations for  
17 vice chairman?

18 Are there any other nominations for  
19 vice chairman?

20 Are there any other nominations for  
21 vice chairman?

22 Okay. Hearing none, the nominations  
23 are closed. Dr. de Abreu is selected by  
24 acclamation.

25 Congratulations to the both of you.

1           And as we've all said before, this my last  
2           meeting. It has been a pleasure serving  
3           with all of you. I'm still going to drop  
4           in on future meetings just to keep an eye  
5           on y'all, make sure y'all are going in the  
6           right direction.

7           MR. LAGRANGE:

8                     Mr. Chairman --

9           MR. BONVILLAIN:

10                    Yes.

11           MR. LAGRANGE:

12                    -- just a comment. I want to say,  
13           you know, thank you for all of your  
14           service.

15           MS. HENRY:

16                    Yes.

17           MR. LAGRANGE:

18                    And, you know, the guidance that  
19           you've provided to this Board has been  
20           unwavering and always spot on. And you've  
21           done a great job of keeping -- keeping us  
22           on track and not getting too far from the  
23           topic at hand. You've also been a mentor,  
24           I think, to most of us here that are on  
25           the Board from, you know, your past

1           experience and leadership.

2           So, I just want to say for myself and  
3           hopefully on behalf of everyone, thank you  
4           for that and hopefully we'll -- I'm sure  
5           we'll welcome and appreciate any input and  
6           guidance you can offer going forward as  
7           well.

8           MR. BONVILLAIN:

9           Well, thank you for that. Does a  
10          check come with that?

11          MR. LAGRANGE:

12          Let me check.

13          MR. BONVILLAIN:

14          Okay. I appreciate the comments, Bo.  
15          Is there any other business?

16          MS. BORDELON:

17          You need to set the meeting for  
18          December.

19          MR. BONVILLAIN:

20          Okay. Danny?

21          MR. HYLTON:

22          Are we going to do with --

23          MS. BORDELON:

24          Ovella?

25          MR. HYLTON:

1                   -- Ovella?

2           MR. BONVILLAIN:

3                   Okay. Well, I gave -- I told him we  
4                   would give him ten or 15 minutes. He  
5                   hasn't returned the call. So, what is  
6                   your pleasure?

7           MS. HENRY:

8                   Put him off until next time.

9           MS. BORDELON:

10                   Well, he's waited this long, he can  
11                   wait until December.

12           MS. HENRY:

13                   Right.

14           MR. HYLTON:

15                   Yeah.

16           MR. LAGRANGE:

17                   Yeah, I think we need to make a  
18                   motion that we -- for Ms. Bordelon to  
19                   reach out to him one more time and ask him  
20                   to, you know, provide more information  
21                   concerning, you know, what his degree was  
22                   in, if it's -- well, if it was  
23                   engineering, that's the only thing that  
24                   would be applicable.

25           MS. BORDELON:

1                   Yeah.

2           MR. BONVILLAIN:

3                   Right.

4           MR. LAGRANGE:

5                   And also he says in 2017 he started  
6           working, be more specific on was it  
7           December of '17 or January of '17. And  
8           also in the -- in the field of solid  
9           waste, be more specific about what  
10          experience he's had, whether it was with  
11          the construction company or with a  
12          landfill related to construction and solid  
13          waste in the time period. With that we  
14          can made a better determination.

15          MR. HYLTON:

16                   A timeline of experience, because  
17          even with the '17, that's not three years  
18          if his degree's not correct.

19          MR. BONVILLAIN:

20                   That's correct.

21          MR. LAGRANGE:

22                   Right.

23          MR. GREENE:

24                   Uh-huh (yes).

25          MR. LAGRANGE:

1                   Right. But if he was with the  
2                   construction company as someone mentioned,  
3                   he may have done some construction work --

4                   MR. HYLTON:

5                   Yeah, he needs to clarify.

6                   MR. LAGRANGE:

7                   -- relative to constructing the  
8                   landfills or solid waste facility embodies  
9                   his experience, we want to make sure we  
10                  get all of the information we can so that  
11                  we don't shortchange him --

12                 MR. HYLTON:

13                 Yeah.

14                 MR. LAGRANGE:

15                 -- and make that decision.

16                 MR. BONVILLAIN:

17                 Would you want to offer him the  
18                 chance to come to the meeting in December?

19                 MR. LAGRANGE:

20                 And we can offer that as well.

21                 All right. So, Mr. Chairman, that  
22                 was a motion I made.

23                 MR. BONVILLAIN:

24                 Okay.

25                 MR. GREENE:

1                   Second.

2           MR. BONVILLAIN:

3                   Seconded by Mr. Greene.

4                   Any objection to the motion?

5                   Okay. Hearing none, the motion  
6           passes.

7                   Okay. We have to set a date for the  
8           December meeting.

9           MR. LAGRANGE:

10                   Yes, sir. Mr. Chairman, I would like  
11           to also offer that St. Mary Parish will  
12           host the Board of Certification meeting in  
13           Patterson, as we've done in the past  
14           years. And, typically we've done that on  
15           a Friday morning in December. Two dates  
16           I'm looking at the sixth or the 13th,  
17           Friday the 13th.

18           MR. HYLTON:

19                   I've got to be on the road.

20           MR. LAGRANGE:

21                   If anyone has any major conflicts  
22           with one of those two dates, is one worse  
23           than the other?

24           DR. de ABREU:

25                   I'm fine with both.

1 MS. HENRY:

2 Whatever works for you.

3 MR. LAGRANGE:

4 Well, I move that we set that date  
5 for December the 13th.

6 MR. BONVILLAIN:

7 Okay. December 13th, 10 a.m?

8 MR. LAGRANGE:

9 10 o'clock a.m., yes.

10 MR. BONVILLAIN:

11 Okay. December 13th, 10 a.m.

12 Okay. Any other business?

13 Do I hear a motion to adjourn?

14 MS. HENRY:

15 So moved.

16 MR. BONVILLAIN:

17 Moved by Ms. Henry.

18 DR. de ABREU:

19 Second.

20 MR. BONVILLAIN:

21 Seconded by Dr. de Abreu that we  
22 adjourn.

23 Any objection to motion?

24 Hearing none, the motion passes.

25 THE MEETING CONCLUDED AT 2:03 p.m.
