MINUTES

Motion was made by Michael Hickerson, seconded by Lisa Lipsey and unanimously carried, to accept the minutes as presented for the April 29-30, 2011 board meeting.

Compliance Hearing for Derick Dauphin, MSW

Mr. Dauphin requested a Compliance Hearing to appeal the board's decision to deny his RSW application on April 29, 2011. His application was denied because he did not indicate on his application that he had any state or federal charges. However, his criminal background check documented charges. Mr. Dauphin testified that two of the arrest charges were not accepted, and that one of the charges has been expunged. Mr. Dauphin was represented by attorney, Tony Dooley. Mr. Dooley explained to the board that expungement is explained to the lay person by the court that once the charges have been expunged it is as if the charges never occurred.

Compliance Hearing for Ursula Chew

Ms. Chew requested a Compliance Hearing to appeal the board's decision to deny her RSW application on April 29, 2011. Her application was denied because she did not indicate on her application that she had any state or federal charges. However, her criminal background check documented charges. Ms. Chew testified that she was arrested, but never charged. She stated that she hired an attorney to have her record expunged. The charge dated June 2, 2003 should have had the date June 2, 2006. The 2006 date is currently in the process of being expunged.

Compliance Hearing for Michael Breaux, LMSW

Mr. Breaux requested a Compliance Hearing to appeal the board's decision to deny his LCSW application on April 29, 2011. His application was denied because he did not indicate on his application that he had any state or federal charges. However, his criminal background check documented charges. Mr. Breaux testified that he was arrested in 1993 and charged with peeping tom. The DA declined to prosecute. Mr. Breaux stated that because the DA did not follow through with the case, he believed that it would not be a part of his record. He further stated that this has not been an issue with his employers, and has had to have a criminal background check completed to coach little league football. He stated that his life has changed since he was in college. He is now married with three children and heads the Children's Ministry at his church.

Compliance Hearing for Sarah Coker, MSW

Ms. Coker requested a Compliance Hearing to appeal the board's decision to her application for the LMSW on April 29, 2011. Her application was denied because of her affirmative answers on her application relative to having been charged with violation of any state or federal, civil or criminal law and have been a participant in an alcohol or drug treatment or rehabilitation program. Ms. Coker testified that she completed an 8 hour class in Boca Raton, and completed a misdemeanor intervention program. She received four months probation with monthly UA's. Because of her compliance, the charges were dismissed. Ms. Coker did present the board with evidence that she completed the above mentioned requirements.
