**SUBJECT:** APPLICATION FOR REHEARING; REQUEST FOR RECONSIDERATION OF DECISION

**AUTHORITY:** LAC Title 22, Part XI; La. R.S. 15:574.2

**REFERENCES:** ACA Standards and 2-1083, 1086, 1096, 1122, and 1125

**PURPOSE:**

To establish procedures for requests for parole rehearing when an offender has previously been denied parole or revoked.

**POLICY:**

If an offender is denied parole at his initial parole hearing or revoked by the Committee on Parole, the offender may reapply for a rehearing in accordance with this policy. An offender may also request reconsideration of the parole decision within 21 days of the parole hearing date in accordance with this policy.

**PROCEDURE:**

**I. REHEARING**

**A.** If denied at the initial parole hearing, an offender must apply in writing for a subsequent parole hearing, referred to as a "parole rehearing". The written request must contain the following information (at a minimum):

- 1) Name/DOC#;
- 2) Current housing location;
  - a. Name of facility
  - b. Custody status
  - c. Whether or not offender is currently in disciplinary lockdown
- 3) Date of last parole hearing;
- 4) Conduct reports;
  - a. Total reports
  - b. Date of last report

- 5) Self Help program participation, including educational or other programs;
- 6) Physical or psychological problems and treatment received, if any;
- 7) Job plan/Residence plan; and
- 8) Final comments (any other comments the offender wishes the parole panel to consider when reviewing the request for rehearing).

**B.** The written request for rehearing may be submitted by the offender and/or their attorney.

**C.** Application for a parole rehearing will be allowed only under the following conditions.

- 1) The offender must not have had a major (Schedule B) disciplinary misconduct report in the six months prior to the reapplication request;
- 2) The offender must not have been in disciplinary lockdown status for a period of six months prior to the reapplication request.
- 3) If both criteria in B and C above are met, an offender may apply to the board for a rehearing at the following intervals:

<b>Type of Crime</b>	<b>Initial Request for Rehearing</b>	<b>Subsequent request for Rehearing<sup>1</sup></b>
Nonviolent, except as otherwise restricted	6 mos after original date of denial	6 mos after date of initial reapplication
Crime of Violence enumerated in R.S. 14:2(B)	1 yr after original date of denial	Every 2 yrs after date of initial reapplication
Crime Against Person enumerated in R.S. 14:29-47	1 yr after original date of denial	Every 2 yrs after date of initial reapplication
Sex Offense as defined in La. Revised Statutes	2 yrs after original date of denial	Every 2 yrs after date of initial reapplication
Murder, 1st or 2nd degree	2 yrs after original date of denial	Every 2 yrs after date of initial reapplication
Manslaughter	2 yrs after original date of denial	Every 2 yrs after date of initial reapplication

<sup>1</sup>Subsequent request for Rehearing may be submitted if initial request for rehearing was denied.

## **II. PAROLE VIOLATORS/REVOCATIONS**

Parole violators whose parole has been revoked may request a rehearing one year from the date of revocation. If the request for a rehearing is denied on the initial request, the offender may re-apply every two years after the date of the initial re-application.

### III. RECONSIDERATION

- A. An offender may request that the Committee reconsider its decision to deny parole as outlined herein. However, this process does not establish a formal appeal process as parole is an administrative discretionary decision that is not subject to appeal.
- 1) A parole panel may reconsider a decision of any parole panel at the request of the Board Chairman **or designee**.
  - 2) An offender whose parole is denied or rescinded, or whose parole supervision is revoked may request reconsideration by the Committee.
    - a. The request for reconsideration shall be made in writing by the offender (or the offender's authorized legal representative) and shall be postmarked no later than twenty-one (21) calendar days from the date of hearing during which parole panel action was taken.
    - b. If the request for reconsideration is not postmarked within twenty-one (21) calendar days, it shall be denied.
    - c. Reconsideration review shall be at the discretion of the Committee, and shall not be available except for the following reasons:
      - 1) If there is an allegation of misconduct by a Committee member that is substantiated by the record;
      - 2) If there is a significant procedural error by a Committee member; or
      - 3) If there is significant new evidence that was not available when the hearing was conducted. A request based on the availability of new evidence or information shall be accompanied by adequate documentation.
    - d. A request based on an allegation of misconduct or significant procedural error shall clearly indicate the specific misconduct or procedural error being alleged.
    - e. A written request for reconsideration postmarked within the time period set forth in Subsection A.2.a. of this policy shall be screened by the Board Chairman or designee to determine whether the request for reconsideration raises substantial grounds to believe that one or more of the reasons for reconsideration set forth in Subsection A.2.c. of this policy may be present. The request for reconsideration shall be denied by the Chairman or designee, if in his or her discretion, it is determined that the request does not raise adequate grounds to believe that one or more of the reasons for reconsideration set forth in Subsection A.2.c. of this policy are present.

- 3) If the Chairman or designee determines upon screening that a request for reconsideration raises adequate grounds to believe that one or more of the reasons for reconsideration set forth in A.2.c. of this policy may be present:
  - a. The case shall be set for administrative review at the next available parole panel hearing date. The review shall be conducted from the record of the first hearing. The appearance of the offender shall not be necessary.
  - a. **Due to the sensitive nature of the reconsideration process, all indications of the offender's identity as well as the Committee Members from the original decision will be redacted from the presentation of facts to the Committee Members reviewing the reconsideration.**
  - b. The reviewing panel may vote to:
    - 1) Grant a new parole hearing and staff will make every attempt to schedule the hearing with a different parole panel than that which rendered the original decision; or
    - 2) Affirm the original decision.
  - c. The applicant shall be advised, in writing, of the results of the review.
- 4) If the chairman or designee determine there is no basis to grant the request for reconsideration, the applicant will be advised in writing.
- 5) **If the Offender has one or more Schedule B Disciplinary Report(s) in the twelve months prior to their parole eligibility date, they will generally not be considered a good risk for early release and will, therefore, not be given parole consideration until such time as the offender has been disciplinary report free for twelve consecutive months. Offenders may be removed from a parole docket if they receive a Schedule B Disciplinary Report during the investigation period. The offender will be notified if they are not considered for placement on or removed from a docket.**
  - a. **The offender may request reconsideration of this decision in writing in accordance with the process outlined in this policy. Such request must include any mitigating factors that the offender wishes be considered during the review process.**
  - b. **The offender is responsible for notifying the Board in writing when they are disciplinary report free for twelve consecutive months to be reconsidered for scheduling.**

**REFERENCES:**     ACA Standard 2-1100, Board Policy 07-703, “Decision to Grant or Deny Parole”

**POLICY:**

When the Committee on Parole determines that it would be in the best interest of the public and the offender, the Committee may require successful completion of a specific rehabilitative program (substance abuse treatment, transitional work program, 100 hours of pre-release training, reentry program, attainment of high school equivalency [HSE]) as a prerequisite to release on parole.

**PROCEDURES:**

- A. For conditional parole decisions, the Committee will generally require completion of programs that have been certified by the Department of Public Safety & Corrections or that are recommended by the Division of Probation & Parole.
- B. Program completion should occur within six months from the parole decision. However, if the program is more than six months in duration, the offender may be allowed up to nine months after the parole decision to complete the specified program. In no event, however, may the physical release from custody on parole extend beyond nine months from the hearing date.

- C. If the offender has not successfully completed the program in nine months from the hearing date, the Committee shall rescind or reconsider his ~~parole and schedule a subsequent hearing.~~ **parole under the conditions provided in Board Policies 07.705, “Application for Rehearing; Request for Reconsideration of Decision”, and 5-505, “General Procedures”.**

## LEGISLATIVE PROPOSAL

### LA Board of Pardons & Committee on Parole

**Title:** Medical and Mental Health Information for Parole Hearings

**Problem:**

An offender's medical and mental health plays an important part in their successful reentry. This information is not offered to the Board in a structured format from professionals at the housing institution. *LARS 15:574.3* currently requires this information to be provided for pardon and commutations but not parole.

**PROPOSED SOLUTION:**

The housing institution currently provides information concerning the offender's institutional adjustment, disciplinary behavior, programs of completion, etc.. Having key information concerning the offender's medical and mental health will help the Board make the best possible decision as it relates to the release of an offender on parole and their medical and mental health conditions. The Board would utilize a brief assessment provided by the medical and mental health staff that would be submitted to the Board at the same time as the institutional progress report.

A committee comprised of medical staff, mental health staff, Bard staff, Board Members and the Director of Medical Services for the DPS&C will develop the medical and mental health assessment that will be submitted to the Board for parole consideration.

§574.3. Personnel and reports to be furnished by the Department of Public Safety and Corrections to the committee on parole; reports to be provided to the Board of Pardons; intensive incarceration and intensive parole supervision program data compilation; annual report

- A. The Department of Public Safety and Corrections shall provide the necessary clerical and administrative personnel, equipment, office space, and facilities for the committee on parole and its members.
- B. The Department of Public Safety and Corrections shall see that every offender is interviewed and explained the rules with respect to release on parole. It shall secure all relevant data and shall assist the offender in formulating a parole plan. Whenever the committee orders a parole hearing to be held, the Department of Public Safety and Corrections shall secure a report with respect to the personality of the offender, his social history, his adjustment to authority, **the physical, mental, or psychiatric condition of the offender when available**, and his prison record, and may include any recommendation with reference to the release of the offender on parole.
- C. In an application for pardon or commutation, the Department of Public Safety and Corrections shall provide the board of pardons and the governor with such records of the facts and circumstances of the offense for which the offender was confined, the offender's past criminal record and his social history, the prison record, the physical, mental, or psychiatric condition of the offender, and any other records or other reports that may be requested.

- D. The department shall compile statistical data to document successful program completions and program failures by offenders assigned to the intensive incarceration and intensive parole supervision program. The department shall utilize the statistical data to evaluate the operation of the program, define policies, and formulate eligibility standards. The secretary of the department shall establish regulations for the administration of the intensive incarceration and intensive parole supervision program.
- E. The department shall prepare and submit an annual report to the legislature and to the governor, which shall include the following:
- (1) An overall assessment of the intensive incarceration and intensive parole supervision program.
  - (2) An evaluation of the extent to which program goals and objectives are being met.
  - (3) A statement regarding the fiscal impact of the program.

Acts 1968, No. 191, §1. Amended by Acts 1974, No. 107, §1; Acts 1986, No. 747, §1, eff. July 8, 1986; Acts 2012, No. 714, §8.

**MAJOR CONCERNS/ISSUES:**

The availability of this information for offenders serving their sentences at the local-level.
