CERTIFICATION OF INABILITY TO ACHIEVE IN-PERSON QUORUM & NOTICE TO MEET THROUGH ELECTRONIC MEANS

Issued December 15, 2020

In order to address the COVID-19 pandemic, Governor John Bel Edwards took measures to protect the public and issued several proclamations pertaining the crowd sizes and public buildings. Due to the continuing state of emergency, the Governor issued Proclamation Number 75 allowing boards and commissions to meet via electronic means so long as the public could observe and offer input. Proclamation Number 174 extended the provisions to conduct meetings via electronic means from December 5 thru December 23, 2020.

The mandates for physical distancing and public safety prevent the Louisiana Fire & Emergency Training Commission from meeting in person and with members of the public. As such, the Commission will conduct its special meeting on December 21, 2020 through electronic means.

The Louisiana Fire & Emergency Training Commission will post the agenda in advance of the meeting on the LSU Fire & Emergency Training Institute's website. The website will also have instructions for individuals to view the meeting in real time and post comments. Information and instructions about the meeting will be posted at: feti.lsu.edu

Thank you in advance for your understanding during these unusual circumstances.

Chad Major, Chair
Louisiana Fire & Emergency Training Commission
