September 6, 2012

Dear Friends and Foundation Board Members,

There will be a joint meeting of both boards on Wednesday, September 12<sup>th</sup> at 4 PM. The purpose of this meeting is to make plans and prepare for the public support of the two tax mils that will be on the November 6<sup>th</sup> ballot for the Cotton Museum.

The plans will include the written information going to the public, the word of mouth type public notification and possibly brochures or flyers explaining the need and uses of this facility in the community.

Please make plans to come and present you opinion and the public support needed to provide the needed funds to maintain the operation of this museum.

*Sincerely,  
Harriet*
