TPO Kennedy advised that a redlined copy of the LHC Board Draft Bylaws had been distributed from changes made during the ByLaws Committee discussions held earlier that day. He inquired as to whether the Board wanted to adopt them as presented or wait until the March Board Meeting.

Director Mayson H. Foster requested the Draft ByLaws be accepted as presented.

TPO Kennedy called a brief recess at 1:11 P.M.

TPO Kennedy called everyone back into session at 1:17 P.M.

Director Frank. H. Thaxton, III, requested the revised Draft ByLaws denote that there would only be officer elections for Board Chair and Vice-Chair and no longer for Board Secretary; and that under Article 8 be added "...or that written notice of the proposed amendment is furnished in the call of the meeting." Clarifying that such "...would allow the Board Members to present any amendments between now and the next meeting that could be taken up at the next meeting."

On a motion by Director Mayson H. Foster, and seconded by Director Frank H. Thaxton, III, the Board adopted the ByLaws for the Louisiana Housing Corporation; and providing for other matters in connection with the foregoing, was moved to debate. IP Hutchinson also noted that he was planning a series of one-on-one meetings with each Board Director; that he had directed staff to plan a March 13th Board Programs Orientation. He also advised that he was scheduling meetings with various state legislators; that he believes in hands-on and teamwork; that he came with a broad perspective of Louisiana; that the LHFA-LHC Transition was going smoothly; that more feedback from the public was being encouraged; and that there was a new LHC logo to be approved.

MULTIFAMILY RENTAL HOUSING

The first item to be discussed was a resolution regarding Guste Homes III.

LHFA Program Administrators Brenda Evans and Loretta Wallace briefly went over the specifics thereof, and noted that staff was recommending approval.

Director Kennedy inquired as to the cost per unit.

Guste Homes III Project Representatives Brian Keeger and Laura Tuggle noted that the size of each unit was 1,300 square feet and the cost per unit was \$265,000.00.

Director Kennedy inquired as to why the decision was not made to build a single family home for the same price instead of apartment units. He also inquired as to the rent that tenants would pay for each unit. Ms. Tuggle advised they were fulfilling a commitment to the previous tenants to rebuild the complex after Hurricane Katrina. She also noted that the tenant share of rent for Guste I is \$378.

Director Kennedy also inquired if tenants had been given the option of having a house or returning to an apartment. Ms. Tuggle advised she was unable to respond thereof.

Director Kennedy proposed that a single dwelling house would be more advantageous and would also reduce the blighted properties problems in New Orleans.

Ms. Tuggle noted that families in public housing have a deep rooted sense of community and an overall desire to return to a redeveloped site and not relocate to a new neighborhood.

Director Kennedy noted that \$265,000 for an 1,100 square apartment is "ridiculous". Chair Airhart concurred with Director Kennedy's sentiments regarding the high cost per unit. He advised everyone that going forward the Board would be paying much closer attention to these matters, and that such would be part of the Board's future Strategic Planning Process.

There were further discussions between the Board and the Project representatives.

Thereafter, Director Kennedy suggested delaying the matter until the Board received the project's final numbers.

Director Kennedy moved that the resolution regarding authorizing not to exceed \$30,000,000.00 of Multifamily Housing Revenue Bonds to Guste Homes III, and providing for other matters in connection with the foregoing be DEFERRED until the March 2012 LHC Board Meeting. The motion was seconded by Director Young and moved to debate. , There being no further discussion, opposition, or public comments, the motion to defer passed unanimously.

Next item discussed was the resolution regarding Eligible Basis of Ike Credits. Ms. Evans briefly went over the specifics thereof, noting that construction had to be completed by December 2012 and that no additional credits would be given.

Chair Airhart inquired as to whether LAAHP was supportive of the matter. There was a reply of "YES" from unidentified member of the audience.

Thereafter, a historical background of the matter was provided by Agency Bond Counsel Wayne Neveu.

On a motion by Director John N. Kennedy and seconded by Director Mayson H. Foster, the resolution authorizing and approving an increase in the eligible basis of buildings located in the GO Zone pursuant to Section 42(d)(5) of the Internal Revenue Code in order to sustain their financial feasibility; and providing for other matters in connection with the foregoing, was moved to debate. There being no further discussion, opposition, or public comments, the motion passed unanimously.

ASSET MANAGEMENT

Next item discussed was a resolution to release a Request for Proposals for Property Management for the Mid-City Gardens Project.

Director Foster and Chair Airhart requested that the matter be wrapped up by the March Board Meeting that the RFP be widely distributed, respectively.

There being no further discussion, opposition, or public comments, the motion passed unanimously.

SPECIAL PROGRAMS – HOME COMMITTEE

Next item discussed was a resolution for a Technical Grant Writer.

Ms. Wallace went over the specifics of the matter, noting such could be utilized by the Agency to compete for the HUD Section 8 NOFA, and that staff was recommending approval thereof.

Chair Airhart noted his support for the matter.

Director Burckel inquired as to the estimated costs of the matter. Ms. Wallace was unable to respond, noting once proposals were submitted, the Agency would have a better idea as to the average cost. Dr. Burckel noted that he'd expect future requests to come with a cost analysis, but that he'd move forward with supporting this particular matter given its importance.

On a motion by Director John N. Kennedy and seconded by Director Dr. Daryl Burckel, the resolution authorizing the Louisiana Housing Finance Agency ("Agency") to begin the process of selecting and contracting with a technical grant writer; and providing for other matters in connection with the foregoing, was moved to debate. There being no further discussion, opposition, or public comments, the motion passed unanimously.

PUBLIC INFORMATION

Next item discussed was a resolution regarding the new logo for the Louisiana Housing Corporation.

Agency Public Information Officer Jeff DeGraff went over the specifics of the matter, noting that the logo had been designed by a group of outstanding LSU students; that the logo was solid and clean and would be easily used in a multitude of marketing ways; that the logo was designed with the yellow parts to represent the different types of housing; that the band was representative for a horizon/road/path to affordable housing; the logo would have a specific font; that the color

used were very amicable and friendly; and that the word "corporation" was faded to gray to give appearance of approachability.

Mr. DeGraff also noted that the LSU students who had designed the logo were unable to attend the Board Meeting, but that accolades would be presented to them at a later date; and that there was no cost for the design of the logo.

Chair Airhart commended the staff, including Mr. DeGraff, Mr. Darrin Man, and Mr. Bob Barbor, in doing such a good job and for saving money from having to hire a private designer to do the logo.

Mr. DeGraff noted that after Board approval he would seek full and exclusive usage rights for the LHC logo.

Director Foster advocated allowing the Board Chair negotiate the LHC Interim Executive Director salary. Chair Airhart noted he'd prefer that matter be a decision of the entire Board.

Director Thaxton advised of the requirements of the Louisiana public meetings law concerning entering into executive session, and noted that in this instance, the need for an Executive Session

was prefaced by the fact that the matter to be discussed related to the performance of a public employee, and therefore requested the Board enter into into Executive Session.
