

MINUTES OF THE NORTHWEST LOUISIANA
GAME AND FISH PRESERVE COMMISSION

Meeting held on December 1, 2015

Present were Commissioners Brown, Wilson, Self, Runyon, Bedgood, Lonadier and Hubbard.

Chairman Arthur Brown, Jr. recognized Wildlife & Fisheries Biologist Jason Brancamp, members of the Black Lake Citizens Committee and Renee' Crews.

On motion by Runyon and seconded by Lonadier the minutes were accepted as written.

Durwood Wilson then gave a report on the boat ramps. He advised that Allen Damn was in good condition and that C.D. Baker was in good condition as well. He advised that Dickson needs a load of rock. On motion by Bedgood and seconded by Hubbard the Commission approved the purchase of up to five tons of winn rock, SB-2 or other aggregate to be purchased and spread at the Dickson Boat Ramp location.

Biologist Jason Brancamp of the Department of Wildlife & Fisheries discussed contract spraying which would be starting this coming Monday. He also advised that the salvinia had been pushed out of the back water drainages by the recent rainfall.

Don Welch then gave a report from the Black Lake Citizen's Committee.

Commissioner Self then discussed that someone had parked travel trailers on the north side of the fishing pier and they were blocking access. Assistant Secretary-Treasurer Steven D. Crews was asked to write Sheriff Victor Jones about the problem.

On motion by Runyon and seconded by Lonadier the payments for the C.D. Baker Boat Ramp were ratified.

On motion by Lonadier and seconded by Hubbard payments for bushhogging and trash pick up were approved.

On motion by Hubbard and seconded by Runyon the Dickson Boat Ramp rental payment was approved.

There was then discussion concerning hauling and spreading rock at C.D. Baker. Assistant Secretary-Treasurer Steven D. Crews was asked to contact Parish President Rick Nowlin about assisting with the hauling and/or spreading of the rock.

On motion by Runyon and seconded by Lonadier the meeting did adjourn.
