4. *Discussion on Drawdown: Jason Brancamp from LDWF was present. Questions were answered that were presented from the public as well as the Wildlife and Fisheries plans and thoughts on future drawdowns.*
5. *Discussion on Tree Removal: Based on public comments to Mr. Brancamp, the general overall request be that the thickets and small trees clogging the channel and preventing the flushing of the salvania be removed. It was requested to Mr Brancamp to start the necessary paperwork/plan to help us move forward with this task. Mr. Brancamp was in total agreement that removing the excess trees was our only hope in long term management.*
