18 MS. BARON:

19 Mr. Chairman, we have a quorum.

20 MR. POTEET:

21 Thank you. All right.

22 Anyone here for public comments

23 today?

24 MS. BARON:

25 No. We do not have anyone for public

1 comments.

2 MR. POTEET:

3 Richard wants to have an item added
4 to the agenda. So we have to put it on there.

5 So go ahead and tell us what you want
6 to add.

7 MR. WATTS:

8 Yes. It came up in a -- that we need
9 to elect a vice chairman and we need a
10 legislative committee. So can I get a vote on
11 that -- bring it up to a vote or nominate
12 somebody?

13 MS. BARON:

14 You want a legislative committee and
15 a vice chairman? Is that what you said?

16 MR. WATTS:

17 I think it was hand in hand.

18 MR. DONNELL:

19 Yes. That's fine. Yes, that's --

20 MS. BARON:

21 Okay.

22 MR. DONNELL:

23 -- just vice chairman.

24 MR. WATTS:

25 Vice chairman.

1 MR. POTEET:

2 Okay. Let's -- what I'd like to do
3 is -- here's the way I'd like to handle it.
4 First, we've got to vote to add that to the
5 agenda.

6 MR. OLAVE:

7 I second the motion, Mr. Chairman.

8 MR. POTEET:

9 All in favor, say, "Aye."

10 (All "Aye" responses.)

11 MR. POTEET:

12 Any opposed?

13 (No response.)

14 MR. POTEET:

15 All right. We'll add that to the
16 agenda right after the financial matters. How
17 about that? Is that okay with everybody?

18 (No response.)

19 MR. POTEET:

20 Okay. The next thing on the agenda
21 is the adoption and approval of minutes. I
22 hope everybody has had a chance to read them.
23 Any corrections or changes, let us know. If
24 not, I would entertain a motion.

25 MR. SMITH:

1 I'll make a motion.

2 MR. POTEET:

3 I've got a motion from Darty.

4 MR. DONNELL:

5 Second.

6 MR. POTEET:

7 Second from Mr. Donnell.

8 All in favor, say, "Aye."

9 (All "Aye" responses.)

10 MR. POTEET:

11 Any opposed?

12 (No response.)

13 MR. POTEET:

14 All right. So let's go ahead and do
15 the financial stuff right now. And then we'll
16 get to the new agenda item.

17 MS. ANDERSON:

18 Okay. If you'll turn in your binders
19 to the financial statement for the month ending
20 August 31, 2019. Under the statement of net
21 position, the total current assets at the end
22 of the August were \$3,315,840. Of that, the
23 operating account total was \$2,078,510. The
24 accounts receivable were \$504,623. And there
25 were no changes in the remaining assets.

1 The current liabilities at the bottom
2 of the page and at the top of page 2, the
3 current liabilities were \$71,026. Long-term
4 liabilities increased only slightly from the
5 prior month. And the total liabilities and
6 inflows were \$4,165,061. On page 3 is the
7 statement of revenues, expenses, and changes in
8 net position. Year-to-date revenues were
9 \$426,558 compared to \$65,663 last year. And
10 the main area of increase was in fines and
11 we'll discuss that shortly on the hearing fines
12 report.

13 On page 4, the salaries and related
14 benefit expenses were only slightly higher than
15 last year. The remainder of the expenses were
16 higher than the previous year in the areas of
17 legal fees, vehicle maintenance, and telephone
18 expenses due to some one time expenses on our
19 telephone. The change in net position on page
20 5 was -- year-to-date was \$165,657.

21 Page 6 is the four-year revenue
22 comparison. The most significant increase, of
23 course, was in the fines area. And as I said,
24 we'll talk about that when I give the fine
25 report. The graph on page 7 compares the

1 revenues in the -- in four of the categories,
2 fees, auctions, fines, and miscellaneous
3 revenue. Page 8 shows a year-to-date budget to
4 actual comparison on expenditures. In the
5 second month of the fiscal year and the -- we
6 are well within budget at this point. On page
7 9, the certificate of deposit report, there
8 were no changes for August.

9 On page 10, on the hearing and fine
10 report, \$7,600 in fines were assessed in August
11 and 14,350 were collected. In addition, the
12 Attorney General's Office collected \$24,660 on
13 the accounts for Lauco, Michael Laue, Shawn
14 Calvit, and Ready To Go Autoplex. In the years
15 past, we had written these amounts off. Like,
16 the Lauco balance was 278,000. So in order to
17 apply the payments that they're collecting, we
18 had to re-recognize that revenue. So that's
19 why you're seeing such a big increase on the
20 revenue for the month and year-to-date as
21 compared to last year. The accounts receivable
22 fines balance at the end of the month was
23 \$504,623.

24 And unless there are any questions,
25 Mr. Chairman, that concludes my report.

1 MR. POTEET:

2 All right. Does anyone have any
3 questions?

4 (No response.)

5 MR. POTEET:

6 I guess we need a motion to approve.

7 MR. SMITH:

8 I move.

9 MR. DONNELL:

10 Second.

11 MR. POTEET:

12 All in favor, say, "Aye."

13 (All "Aye" responses.)

14 MR. POTEET:

15 Any opposed?

16 (No response.)

17 MR. POTEET:

18 Motion passes.

19 All right. Mr. Watts, let's talk
20 about the vice chairman/legislative committee.

21 MR. WATTS:

22 Okay. It was brought to our
23 attention that we need a vice chairman. We
24 don't have one. And it's up for a nomination,
25 I guess.

1 MR. POTEET:

2 As far as I know, that's something we
3 decide within the -- within our Commission. So
4 I guess if something happened, maybe, if I get
5 rolled over by a bus, you would have to elect
6 one then.

7 MR. DONNELL:

8 Well, when Mr. Duplessis stepped
9 down, Jefferey Britt got a letter and he sent
10 it to me and said am I the vice chairman? I
11 don't know. Kind of looked like that's what
12 the letter said. That's why I carried a copy
13 of it to Ellen Palmintier at Boards and
14 Commissions. She said, no, the Governor
15 appointments the -- you, the chairman, and then
16 the Commission elects a vice chairman.

17 MR. POTEET:

18 Yes. I'm not sure Ron was the vice
19 chairman. He was just --

20 MR. DONNELL:

21 The letter said he was.

22 MS. MORRIS:

23 He was the chair, and then there was
24 an agreement, I think when it came up for
25 approval by the senate committee, that he would

1 become the vice chair and the chair would
2 remain.

3 MR. DONNELL:

4 Well, the letter --

5 MS. MORRIS:

6 On the confirmation hearing, I think
7 that was done.

8 MR. POTEET:

9 Okay. That was done, okay. Well,
10 that's fine with me. I don't have any problem
11 with that. This is what I would like to do:
12 Since we only have six of us here, I'm going to
13 make a suggestion that anyone that's interested
14 in that position to send an email to Derek and
15 me. And if we have more than one, then what we
16 can do is, we can bring those names before the
17 Commission and vote on it, you know. I guess I
18 could appoint one. I was the vice chairman
19 when Glen Robinson was the chairman and he just
20 appointed me. But I certainly don't want to
21 appoint somebody who -- if they're not
22 interested and I don't want somebody who is
23 interested to not be considered.

24 MR. DONNELL:

25 That's just what the boards and

1 commission said that we have to elect one.

2 MR. POTEET:

3 Okay. That's okay with me.

4 MS. MORRIS:

5 Is that person going to serve as the
6 chairman of the legislative committee or?

7 MR. POTEET:

8 Yes. That's what we -- I think we
9 would do. That way, we sort of combine that.
10 So for this group, what we'll need to do,
11 probably, is -- Derek, if you don't mind, if
12 you would send out an email, so everybody sees
13 the email, because, obviously, there are four
14 of us not here today, and just say that it was
15 discussed and if anyone is interested, please
16 give us -- you know, send us back a response
17 within -- well, certainly, before the next
18 meeting. And then we can -- we can put that on
19 the agenda, and then we can vote on it. As I
20 said, if only one person is interested, that
21 person gets the job. If more than one person
22 is interested, then the Commission will vote.
23 And if we have a quorum -- if there are only
24 six of us next time -- those six will decide
25 that. Have to have six to zero, wouldn't it?

1 If I remember the way the voting works.

2 MR. OLAVE:

3 If there's more than one person
4 interested, I'd like to see a debate scheduled,
5 so we can have the parties and I can make a
6 determination properly. Voir dire the
7 candidates. I mean, you know.

8 MR. POTEET:

9 Well, if there are more than one, we
10 can certainly ask them what they -- what they
11 bring to the party. So I don't know. I mean,
12 we might have none. Okay. So is everybody in
13 agreement with that? We're okay with that?
14 Sounds good.

15 And, Derek, can you just send out a
16 brief email, so all of the members will know?

17 All right. Next on our agenda is the
18 ratification of imposed penalties.

19 MR. PARNELL:

20 Commissioners, you will find in your
21 packet a chart that illustrates that licensees
22 that were in violation of state law. These
23 cases have been investigated and I have
24 determined that public interest can be served
25 without further administrative proceedings.

1 The civil penalties were -- I will announce the
2 names of the dealers that have been imposed
3 civil penalties for the record.

4 Do we have any representation with
5 anybody that is on the chart?

6 MS. BARON:

7 I will check. No, sir. We do not.

8 MR. PARNELL:

9 All right. I'll go through the list.
10 Southern Star Auto Group, LLC, from Kentwood,
11 Louisiana, violation fine amount is \$1,700.
12 Power Auto Group, LLC, from Lafayette,
13 Louisiana, fine amount is \$200. Coy Dupree,
14 doing business as Dupree's Auto Salvage, from
15 Opelousas, Louisiana, fine amount is \$1,500.
16 Scott Patin, doing business as S&S Auto Sales,
17 from Carencro, Louisiana, fine amount is
18 \$1,100. Anderson Auto Sales, LLC, from Duson,
19 Louisiana, fine amount is \$1,550. CPCI,
20 Incorporated, doing business as Com Auto, from
21 Opelousas, Louisiana, fine amount is \$150.
22 Variety Motors, LLC, from Lake Charles,
23 Louisiana, fine amount is \$1,400. B&S Used
24 Cars, LLC, from Ville Platte, Louisiana, fine
25 amount is \$1,400. Commissioners, I ask that

1 you ratify the imposed civil penalties
2 assessed. The total amount of civil penalties
3 for the month is \$9,000.

4 MR. DONNELL:

5 I've got a question, again. Tell me
6 the difference between failing to submit
7 monthly reports and failing to maintain
8 records.

9 MR. PARNELL:

10 Failing to submit monthly sales
11 reports is just that. If you do not submit
12 your monthly reports for the month, that's
13 usually one count. Every month is usually a
14 count. Failure to maintain records could be
15 really anything. Like, for example, if we do
16 investigate your file and you don't have a copy
17 of the title that you have submitted off. It
18 could be anything that's not perfect in your
19 records that's associated with that file when
20 you close out a sale.

21 MR. OLAVE:

22 It's two different counts then,
23 right? Two different --

24 MR. PARNELL:

25 Two different things.

1 MR. DONNELL:

2 I'm going to probably vote against
3 this, this time, because I'd like to look at
4 the field officer's report to see what those
5 tickets were wrote for.

6 MR. POTEET:

7 All right. Well, do you want just
8 one or do you want to look at all of them?

9 MR. DONNELL:

10 We can just pick out one of some of
11 these strange amounts, you know.

12 MR. POTEET:

13 Okay. Well, usually, the way we
14 handle this is, we do the ratifications as one
15 thing. So if you're going to -- if you want
16 something separate, you're going to have to
17 name those in a different motion.

18 MR. DONNELL:

19 Okay.

20 MR. POTEET:

21 So go ahead and make your motion.

22 MR. DONNELL:

23 I'd like to make a motion before I
24 vote to look at Southern Star, Coy Dupree, and
25 Anderson Auto Sales.

1 MR. POTEET:

2 All right. We have a motion on the
3 floor.

4 Do I have a second?

5 MR. WATTS:

6 I'll second.

7 MS. BRIGNAC:

8 All in favor, say, "Aye."

9 (All "Aye" responses.)

10 MR. POTEET:

11 Any opposed?

12 (No response.)

13 MR. POTEET:

14 Is there anybody who was against?

15 (No response.)

16 MR. POTEET:

17 Okay. Then, I guess, Derek, what you
18 need to do is get that information to the
19 Commissioner and let him look at it.

20 Now, we need a motion on all except
21 that.

22 MR. WATTS:

23 I make a motion.

24 MR. SMITH:

25 Second.

1 MR. POTEET:

2 All in favor, say, "Aye."

3 (All "Aye" responses.)

4 MR. POTEET:

5 Any opposed?

6 (No response.)

7 MR. POTEET:

8 Okay. That passes. So Southern Star
9 -- what were they again just for the record?
10 Southern Star?

11 MR. DONNELL:

12 Southern Star, Coy Dupree, and
13 Anderson Motors.

14 MR. POTEET:

15 And Anderson Motors. All right. So
16 you can look at those whenever.

17 MR. DONNELL:

18 I just want to make sure we're not
19 double dipping.

20 MR. POTEET:

21 Okay. All right. Next on the agenda
22 is the Executive Director's report.

23 MR. PARNELL:

24 Commissioners, you will also find in
25 your packet a chart that illustrates the --

1 what took place over the month. The first
2 charge is alleged issue counts. The first one
3 you'll find is under 20 alleged issues for the
4 month. Also, you will find that the case
5 report has 48 cases assigned. Three of those
6 cases have been completed. 45 of those cases
7 remain open. The department summary report
8 illustrates the total amount of cases that were
9 closed for the month. You'll see that chart
10 illustration. There were 10 cases that were
11 closed for the month. In further news, the
12 rule and regulation draft, it was brought to
13 the -- the final draft -- the fiscal office --
14 we do submit it to the fiscal office. Economic
15 impact statement was done with -- we're in a
16 situation right now with Roz Moore, the Boards
17 and Commissions director. During the last
18 legislative session, they created an
19 occupational license review commission. There
20 was a deadline to submit -- to have our draft
21 of the notice of intent to go before that
22 board. They had a meeting at the end of
23 August. They're going to have their next
24 meeting in October. They don't meet monthly.
25 They meet every other month. So what we have

1 to do with our rule and reg, we have to go
2 before that board to get approval of our rule
3 and regulation before we submit the next step,
4 which is the notice of intent.

5 Correct?

6 MS. MORRIS:

7 Correct.

8 MR. PARNELL:

9 So I just wanted to let you all know
10 that. We don't have an actual date right now.
11 Our name is on the list. They haven't created
12 the agenda as of yet. So we won't know exactly
13 until -- what date that's going to be on. So
14 we don't know at this point.

15 MR. POTEET:

16 What exactly is that?

17 MS. MORRIS:

18 This new board is -- was created
19 because of concerns over lawsuits that have
20 been filed in other states about members of the
21 industry serving on regulatory boards. And so
22 it's to have an independent review. And in our
23 law was, you know, you go before the
24 legislative oversight committee, which was the
25 independent review for the Legislature, almost

1 never had oversight. And so now they've
2 created a board that will review it before it
3 ever gets published and that was for the
4 purpose of trying to avoid what's happened in
5 some other states to argue that there is an
6 independent review. And this board is supposed
7 to be looking for things that would be
8 protectionist, like trying to keep people out
9 of the industry or things like that, because,
10 you know, it's been argued in other states that
11 the boards that are composed of industry
12 participants trying to create a monopoly for
13 the industry. It's to make sure that there's
14 no unnecessary regulation and that it's fair in
15 the process. So they've been doing this since
16 January of this year. And I'm not aware of any
17 rules that have been submitted that haven't
18 been approved by the commission. They're
19 having a little bit of change in procedure. I
20 think before, they were meeting once they got a
21 request for renewal. Now, it looks like
22 they've gone to an every other month thing.
23 The person that was handling it for the boards
24 and commissions went on to another job. So
25 it's a new person. They are kind of getting

1 their procedures straight.

2 MR. DONNELL:

3 What's her name, Roz?

4 MR. PARNELL:

5 Roz Moore.

6 MR. MORRIS:

7 Roz.

8 MR. POTEET:

9 So I can see that. I can see that as
10 a -- as a concern, I guess. I don't -- I can't
11 think of -- I've been on this Commission for 10
12 years. I think 10 years. But I can't think of
13 anything we've done that would fall into that
14 category. But I can certainly see how somebody
15 from the outside looking in could say your
16 commission could easily exclude people. But if
17 you look -- if you look at our rules and regs
18 -- I've got two lawyers in here -- I mean,
19 those are not written in that form.

20 MS. MORRIS:

21 Right. I feel like the Commission
22 has done a lot to protect the consumers.

23 MR. POTEET:

24 Yes, yes.

25 MS. MORRIS:

1 It's been more than fair.

2 MR. POTEET:

3 And I think every car dealer that
4 I've ever talked to that's been on this
5 Commission has always been, we want to enforce
6 the laws to make sure that our industry
7 maintains it's integrity. You know, bad actors
8 hurt the whole industry. So when we had things
9 that have come up, I thought we've been -- I
10 wouldn't say we've bent over backwards for the
11 consumers, but I can't ever think of a time
12 when we really didn't support the consumers in
13 any sort of --

14 MR. OLAVE:

15 Absolutely.

16 MR. POTEET:

17 -- from these lawsuits. Well, no,
18 you actually said that the lawsuits are coming
19 from people who say they want to -- they're
20 concerned about anti-trust mostly.

21 MS. MORRIS:

22 Right. It's anti-trust suits where
23 the FDC has sued the dental board in one state.
24 That was -- the real estate and appraisers
25 board in the state of Louisiana has been sued,

1 but it arises out of litigation around the
2 country.

3 MR. OLAVE:

4 We got -- we got sued individually
5 during Katrina by the RV Dealers Association.

6 MR. POTEET:

7 That was before my time.

8 MR. OLAVE:

9 It was thrown out. It was thrown
10 out.

11 MR. POTEET:

12 Anything else?

13 MR. PARNELL:

14 That's all.

15 MR. POTEET:

16 Okay. Well, we have one item for the
17 next agenda, the vice chairman.

18 Anything else to discuss?

19 MR. OLAVE:

20 How is -- how are things going with
21 the timeline? I was reading different things
22 from Sheri, some correspondence, with the
23 timeline as far as the rules for the continuing
24 education.

25 MS. MORRIS:

1 That's what we were just talking
2 about. It's going to go before the
3 occupational license review board, because you
4 have industry participants on the Commission.

5 MR. OLAVE:

6 No, I understand. But how are we on
7 our rules? Are they ready to go, though?

8 MS. MORRIS:

9 We got approved of the fiscal office.
10 So the next approval we need is the
11 occupational license review. And then it will
12 get published. Then, there will be a comment
13 period if anybody submits comments. So if we
14 get -- if there are any comments, we'll have to
15 hold a public hearing. But absent that, then
16 we'll go on to publish it.

17 MR. POTEET:

18 So that little timeline we had from
19 the last meeting is still on track pretty much?

20 MS. MORRIS:

21 It might be January than December.

22 MR. OLAVE:

23 So then after we get the publication
24 -- or published, then we open that up to
25 potential vendors, correct?

1 MS. MORRIS:

2 Correct. People can submit
3 applications.

4 MR. OLAVE:

5 So that should happen in January,
6 also?

7 MS. MORRIS:

8 Yes.

9 MR. OLAVE:

10 Okay. And do we -- do we have any
11 idea of the -- I know we -- I know one
12 candidate for sure.

13 MR. PARNELL:

14 There is one for sure. There was
15 another entity that contacted us, probably
16 about six months ago. I don't remember their
17 name offhand, but they do -- they do host
18 seminars, per se. And I'll reach back out to
19 them. I can kind of bring them before you.

20 MR. OLAVE:

21 It would be nice to have a
22 competitive type of environment in that, you
23 know, so we know what --

24 MR. PARNELL:

25 I would be open up for that, because

1 we've already created an application for that.
2 So whoever reaches out and expresses interest
3 of it, we will send them an application on what
4 exactly they need to do.

5 MR. OLAVE:

6 Can we -- can we encourage that,
7 though, as -- you know, encourage, you know,
8 other candidates that are coming forward?

9 MR. POTEET:

10 Sure. Find somebody to encourage.

11 MR. OLAVE:

12 No, no. I'm just saying I don't know
13 if there's an industry or a trade publication
14 or anything that we could -- you know, once
15 it's published or what-have-you, that we could
16 actually encourage.

17 MR. POTEET:

18 I think -- don't you have something
19 that -- I'm trying to remember.

20 MR. HALLACK:

21 You should avoid supporting somebody,
22 though. You should avoid --

23 MR. PARNELL:

24 We can't really do that.

25 MR. OLAVE:

1 Well, absolutely, but, again, I hate
2 not to let them know that we're accepting
3 applications because there are companies that
4 don't -- people that can do that that don't
5 know that we have -- you know.

6 MR. POTEET:

7 We did talk about that a few months
8 ago.

9 MR. PARNELL:

10 Yes. We can do that.

11 MS. MORRIS:

12 It would be published in the -- in
13 the register and I think some of those
14 companies that do continuing education, they
15 always look for that, too, so.

16 MR. POTEET:

17 They monitor certain words.

18 MR. OLAVE:

19 I just think it's proactive, you
20 know. That's all. I don't know how they think
21 they can do --

22 MS. MORRIS:

23 I don't know where else you would put
24 it, but some of them, you know, are monitoring
25 for that and they'll see the rules.

1 MR. OLAVE:

2 I wonder if they have, like, you
3 know, other companies, other states use or
4 dividend entities use companies like that that
5 we could send an email to or something saying,
6 hey, I might be interested in putting a bid in
7 on this, just so we have choices. I mean, I
8 just -- you know.

9 MR. PARNELL:

10 Yes.

11 MR. OLAVE:

12 I'd like to see --

13 MR. POTEET:

14 Well, I think Sheri's point, these
15 guys that are in this business, what they do
16 is, they monitor -- just like the lobbyists do,
17 they monitor --

18 MR. OLAVE:

19 Agreed, Mr. Chairman. This, again,
20 is more of a proactive approach.

21 MR. PARNELL:

22 Because this was right after the
23 legislative session when I got their contact.
24 So they were already monitoring, you know, what
25 we were trying to do.

1 MR. POTEET:

2 We will do whatever we can to get --

3 MR. PARNELL:

4 Whether it's one or 10 of them, it
5 doesn't really matter.

6 MR. POTEET:

7 Well, you can approve more than one,
8 right?

9 MR. PARNELL:

10 Oh, yes.

11 MR. POTEET:

12 You can approve more than one, and
13 then the dealers can decide who they're going
14 to use.

15 MR. POTEET:

16 Motion to adjourn?

17 MR. SMITH:

18 Motion to adjourn.

19 MR. DONNELL:

20 Second.

21

22 (Meeting adjourned at 9:54 a.m.)
