House Committee Room 2

Louisiana State Capitol

## **MEETING MINUTES**

A public meeting of the Interim Emergency Board was held at the State Capitol in House Committee Room 2 on February 16, 2023, at 9:15 a.m.

### **ITEM NO. 1**

Sen. Page Cortez, board chair, called the meeting to order at 9:29 a.m., and asked that the secretary call the roll.

Present:

- Sen. Page Cortez, President of the Senate and IEB Chairman
- Rep. Clay Schexnayder, Speaker of the House of Representatives and IEB Vice Chair
- Rep. Jerome Zeringue, Chairman of the House Appropriations Committee
- Sen. Barry Milligan, designee of Sen. Bodi White, Chairman of the Senate Finance Committee
- Mr. Jay Dardenne, Commissioner of Administration
- Ms. Lindsay Schexnayder, designee of State Treasurer John Schroder
- Mr. Brandon Burris, designee of Lt. Governor Billy Nungesser

### **ITEM NO. 2**

Rep. Schexnayder motioned for approval of the minutes of the November 17, 2022, meeting as presented to the board; second by Commissioner Dardenne. The motion passed without objection.

### **ITEM NO. 3**

President Cortez asked Mr. Mark Moses of the Division of Administration, Office of Facility Planning and Control, to present the information regarding item no. 3, which is a proposed project alteration in Act 117 of 2022. Mr. Moses explained that the application being presented is a request by East Carroll Parish that the name of the entity on its project, "Training and Recreation Center, Planning and Construction" (East Carroll, 50/J18 - 1559 on page 53 [FPC No. 50-J18-22-01]) payable from State General Fund (Direct) Non-Recurring Revenues in the amount of \$400,000 and General Obligation Bonds in the amount of \$3,000,000 in Priority 5, be changed to the East Carroll Parish Sheriff's Office (50-NTA). The project should have been set up under the East Carroll Parish Sheriff's Office, so the requested change would correct that error. Speaker

Schexnayder motioned approval; second by Ms. Lindsay Schexnayder. The motion passed without objection.

#### **ITEM NO. 4**

Mr. Moses explained that this item, a proposed project alteration in Act 117 of 2022, is a request by Jefferson Parish that the name of the entity on its project, “Gretna Government Complex Parking Lot, Planning and Construction” (Jefferson, 50/J26 – 94, on page 57 [FPC No. 50-J26-14-09]) payable from Capital Outlay Savings Fund Revenues in the amount of \$4,500,000, and payable from General Obligation Bonds in the amount of \$99,600 in Priority 1 and \$10,500,000 in Priority 5, be changed to Jefferson Facilities Inc. (50-N61). Mr. Moses stated that the original project was for \$100,000 for an area of covered parking in the courts building parking lot. However, the legislature added \$15 million to the request in the 2022 legislative session to add rental space to the project and they are attempting to tie the dollars to the correct project. Mr. Ryan Temple, President of Jefferson Facilities Inc. (JFI), and Mr. David Cole, attorney, explained that JFI is a non-profit economic development organization that has managed a number of similar projects for Jefferson Parish since 2001. This change would turn an underutilized parking lot into a parking garage that would help increase interest in the mixed use space. JFI anticipates annual revenues of approximately \$1.6 million in future revenues.

There was much discussion regarding concerns of the board that this scope change request should be vetted and reviewed through the annual legislative process. Commissioner Dardenne motioned to defer the item so Jefferson Parish can submit the request in the upcoming 2023 capital outlay bill; second by Speaker Schexnayder. The motion to defer passed without objection.

#### **ITEM NO. 5**

Mr. Moses introduced item no. 5, also a proposed project alteration in Act 117 of 2022, which is a request by Livingston Parish that the name of the entity on its project, “Louisiana Highway 64 and Louisiana Highway 1019 Roundabout, Planning and Construction” (Livingston, 50/J32 – 899, on page 61 [FPC No. 50-J32-21-02]) payable from General Obligation Bonds in the amount of \$175,000 in Priority 1 and \$2,500,000 in Priority 5, be changed to the Department of Transportation and Development – Administration (07-270). It’s believed that DOTD would be better able to manage the project and both entities agree this would be a better delivery method. Speaker Schexnayder motioned for approval; Commissioner Dardenne seconded. The motion passed without objection.

#### **ITEM NO. 6**

Mr. Moses explained that item no. 6, which is also a proposed project alteration in Act 117 of 2022, is a request by St. Tammany Parish that the name of the entity on its project, “LA 22 Extension and Improvements, LA 22 Roundabout, Design, Engineering, Planning and Construction” (St. Tammany, 50/J52 – 430, on page 68 [FPC No. 50-J52-

21-02]) payable from State General Fund (Direct) Non-Recurring Revenues in the amount of \$500,000 and from General Obligation Bonds in the amount of \$650,000 in Priority 1 and \$3,240,000 in Priority 5, be changed to the Department of Transportation and Development – Administration (07-270). As was the case with the previous item, it's believed that DOTD would be better able to manage the project and both entities agree this would be a better delivery method. Speaker Schexnayder motioned for approval; Commissioner Dardenne seconded. The motion passed without objection.

With no further business to discuss, Speaker Schexnayder moved to adjourn. The motion passed without objection and the meeting was adjourned at 10:00 a.m.

Respectfully submitted,

Sue Israel, Secretary

### Comments

This application is for a secure parking lot to be used for Jefferson Parish judges and elected officials. Construction of the concrete parking lot slab, fencing and lighting began in 2021 at a cost of approximately \$289,000. The addition of a cover/canopy to the parking lot will provide protection from overhead security threats. Funding is needed to construct the cover/canopy over the parking spaces in the lot in order to complete this project. Local funds currently being expended towards construction of the parking lot slab, fencing and lighting will be counted towards the parish's local match requirement. In addition, funding is requested to design and construct a building for commercial use and leasable space located within the Jefferson Parish Government Complex and its parking areas. This includes the design/construction of a parking garage to service the Jefferson Parish Government Complex. The parking will also serve to alleviate parking constraints in the downtown Gretna vicinity. Funds are also will be used toward the design, surveying, utility redirection, and beautification.

FPC Project Number 50-J32-21-02**

Dear Ms. Israel:

As provided for in R.S. 39:461.9, I request the Interim Emergency Board (IEB) consider an entity change for the capital outlay project for Livingston Parish, "Louisiana Highway 64 and Louisiana Highway 1019 Roundabout, Planning and Construction" (Livingston, FPC Project Number 50-J32-21-02).

Act 117 of 2022 appropriated \$175,000 in Priority 1 General Obligation Bonds and \$2,500,000 in Priority 5 General Obligation Bonds for Livingston Parish for the project referenced above, however, the project needs to be administered by the Department of Transportation and Development - Administration (07-270) as it will be fully funded by a DOTD safety grant.

I request that the IEB change the entity to the Department of Transportation and Development - Administration (07-270). Please advise if you need further information.

Sincerely,

  
Barbara Goodson  
Deputy Commissioner

Dear Ms. Israel:

As provided for in R.S. 39:461.9, I request the Interim Emergency Board (IEB) consider an entity change for the capital outlay project for St. Tammany Parish, "LA 22 Extension and Improvements, LA 22 Roundabout, Design, Engineering, Planning and Construction" (St. Tammany, FPC Project Number 50-J52-21-02).

I request that the IEB change the entity to the Department of Transportation and Development - Administration (07-270). Please advise if you need further information.
