CERTIFICATION OF INABILITY TO OPERATE DUE TO LACK OF QUORUM

In accordance with Executive Proclamations JBE 2020-30 and 2020-33, issued by Governor John Bel Edwards on March 16, 2020, and March 22, 2020, respectively, this notice shall serve as certification of the Board of Commerce & Industry's inability to otherwise operate in accordance with the Louisiana Open Meetings Law due to lack of a quorum (12 of 22 members) as a result of the COVID-19 public health emergency. Pursuant to Section 4 of JBE 2020-30, the Board of Commerce & Industry will provide for attendance at a special meeting, which will only contain business deemed essential government business, on Tuesday, April 21, 2020, at 9:00 a.m., via **teleconference**. A gathering of the entire membership of the Board of Commerce & Industry and necessary staff would violate Governor Edwards's order suspending all public gatherings of 10 or more people to be suspended or postponed. The Board of Commerce & Industry is currently composed of 22 members. The items appearing on the agenda have been deemed essential for the continued conduct of business. Considering the foregoing, and in accordance with Proclamation Numbers JBE 2020-30 and JBE 2020-33, the Board of Commerce & Industry's meeting on Tuesday, April 21, 2020, at 9:00 a.m. will be held via teleconference and in a manner that allows for observation and input by members of the public, as set forth in the Notice posted on April 17, 2020.
