7.01 Indemnification

7.01.1 HEAL shall indemnify any person who was or is a party or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Authority) by reason of the fact that the person is or was a member, officer or employee of HEAL, or such member, officer or employee was serving at the request of HEAL as an officer, employee, agent, attorney,

trustee, trust, or other enterprise of another business, foreign or non-profit corporation, partnership, joint venture or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection therewith, if the person acted in good faith and in a manner that the person reasonably believed to be in or not opposed to the best interests of the Authority, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful; provided that in case of actions by or in the right of the Authority, the indemnity shall be limited to expenses (including attorney's fees, judgments, fines, costs, penalties, and amounts paid in settlement not exceeding, in the judgment of the Board of Trustees, the estimated expense of litigating the action to conclusion) actually and reasonably incurred in connection with the defense or settlement of such action and no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable for negligence or misconduct in the performance of his duty to HEAL unless and only to the extent that all the circumstances of the case, he is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of HEAL and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

- 7.01.2 To the extent the indemnity provided in Section 7.01.1 above is less extensive than that permitted by applicable law, the indemnification provided in Section 7.01.1 above shall be made so extensive and shall be deemed identical to the maximum indemnification permitted by applicable law.
- 7.01.3 Entitlement to indemnification hereunder shall be presumed, and HEAL shall have the burden of proof in the making of any determination contrary to such presumption. Unless the person or persons so empowered to make such a contrary determination shall do so within forty-five (45) days after receipt by HEAL of written request for indemnification, the entitlement to indemnification hereunder shall be conclusively established and the person claiming such indemnification shall be conclusively established and the person claiming such indemnification shall be absolutely entitled to such indemnification, absent actual and material fraud. A contrary determination shall be made by the Authority only as authorized in a specific case upon a determination that the standard of conduct upon which HEAL may refuse to provide indemnification hereunder has been met. Such contrary determination shall be made (1) by the Board of

Trustees by a majority vote of a quorum consisting of Trustees who are not parties to such action, suit or proceedings, or (2) if such quorum is not obtainable or quorum of disinterested Trustees so directs by independent legal counsel.

- 7.01.4 The indemnification hereunder shall be provided pursuant to the procedure specified above regardless of whether payment of said indemnity may be in advance of the final disposition of the action, suit, or proceeding that is the subject of indemnification.
- 7.01.5 The indemnification and advancement of expenses provided by or granted herein shall not be deemed exclusive of any other rights to which one indemnified or obtaining advancement of expenses is entitled under any Rule, agreement, authorization of the Board of Trustees, regardless of whether Trustees authorizing such indemnification or beneficiaries thereof, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Board member or Officer, and shall inure to the benefit of his heirs and legal representatives.
- 7.01.6 HEAL may procure insurance on behalf of any person who is or was a Trustee or Officer of the Authority, or is or was serving at the request of HEAL as a director, officer, employee or agent of another non-profit, business or foreign corporation, partnership, joint venture or other enterprise, against any liability asserted against or incurred by him in any such capacity, or arising out of his status as such, whether or not the Authority would have the power to indemnify him against such liability under the provisions of this Article or under applicable law.
- 7.01.7 In addition to the foregoing provisions of this Article, and consistent with LSA-R.S. 13:5108.1, HEAL may seek defense and indemnification of any HEAL member, officer or employee against any claim, demand, suit, complaint, or petition seeking damages filed in any court over alleged negligence or other act by the individual, including any demand under any federal statute when the act that forms the basis of the cause of action took place while the individual was engaged in the performance of the duties of the individual's office, employment with HEAL, or engaged in the provision of services on behalf of HEAL through the coverage process provided in LSA-R.S. 13:5108.1.
