BATON ROUGE, LA 70802**

Visitor parking lot for Claiborne Building

Claiborne Building

From I-110 N take the North Street exit; from I-110 S, take Laurel Street exit. Proceed to 3rd St. and turn right. Just past the State Capitol is a blinking caution light. Turn left into the visitor parking lot. If no parking places are available, check the gravel public lot on River Road. Do not attempt to park in the parking garage as it requires a Claiborne Building employee parking permit. Enter through south door facing visitor parking area. No sign-in is necessary for access to first floor. See next page for first floor room locations.
