

Nunez Community College

1. Who is on the RFP Committee and what are their roles at the institution?

The RFP Committee consists of representatives from Academics, Faculty, Accounting, and Student Services.

2. Does the institution have any Inclusive Access course material adoptions? If so, what percentage? If so, are these sales included in the numbers reported anywhere in the RFP?

Spring 2023

· 7,782 textbook units (digital and print) were provisioned in the spring of 2023 via Inclusive Access

· 4,048 units of digital resources were provisioned

· 2,738 units of course supplies were provisioned

Sixty-three percent of Nunez courses in the spring of 2023 utilized textbook and supplies adoptions via Inclusive Access. The remainder of the courses either required no course materials, were cancelled, or were utilizing open educational resources (OERs).

3. In an Equitable Access Model, the vendor charges a standard per student/per text cost. The institution can then consider adding (or not) additional revenue to the vendor price and consider this auxiliary revenue. Is this model suitable for consideration?

The goal is to keep prices as low as possible for students and to provide them with all course materials by the first day of class. No additional revenue is added onto vendor's ACCESS prices.

4. What are the current auxiliary revenues and/or commissions generated by the bookstore?

The college does not receive any revenues and/or commissions from ACCESS sales to keep prices as low as possible for students.

OUR MISSION

Nunez Community College is a student-centered institution that delivers a relevant and innovative curriculum integrating the arts, sciences, and humanities leading to academic credentials and workforce opportunities. Nunez serves a vital role in the community by engaging with partners to support student success and personal growth.

5. Are you interested in entirely removing your bookstore from campus? Would you replace it with an eCommerce link?

We would like to keep a physical bookstore on campus. An online supplement website in addition to the physical bookstore is acceptable.

6. Are you interested in running your own book store?

No.

7. Do you desire that we operate your book store for you?

Yes.

8. Does the Institution require the ability for students to “Opt Out” of Equitable Access/First Day of Class models?

Yes, this is required.

9. Are there any state laws preventing the institution from enacting an Equitable Access model on campus?

No.

10. What is the current enrollment for concurrent high school students (Dual Enrollment/Dual Credit)?

Fall 2023 DE Enrollment (Aug. 28) =1,024 (Expect about 1,200 by the end of the week)

- Do these students use the same course materials as the other students at the institution? Yes, they are treated as College students

- Do these students receive their materials through the bookstore vendor? Yes

- Is the institution able and interested to include Dual Credit Students as a part of the scope of content coverage through a vendor? Yes

11. What is the enrollment growth rate projection for the next 5 years? 3,500

12. Will you provide these most recent Text Adoptions book list - preferably in Google Sheet or Excel format?

See attached

13. What % of courses use a textbook?

63% percent of Nunez courses in the spring of 2023 utilized textbook and supplies adoptions via Inclusive Access. I don't have fall numbers. Darriona, do you have the data to calculate this?

14. What % use courseware materials (i.e., My Pearson Lab, Cengage Now, Wiley Plus, etc)?

Fall 2023-33.3%

15. What % of courses with materials use OER? What is the goal of OER % for the following 4 years of the contract.

Fall 2023, 10.5% of courses use OER. Over the next 4 years, the College intends to at least maintain this rate of OER adoption but honor faculty preference, should any choose to adopt OERs for subsequent courses.

The College intends to adhere to Louisiana Revised Statute 17:3129.9 (“Affordable textbooks and opened educational resources”) by providing students with Affordable Educational Resources (AERs) and Open Educational Resources (OERs).

16. What are the current challenges with your existing bookstore operations that you would like to see addressed by this RFP?

The College would like an online, streamlined, user-friendly system for faculty members to request course materials. It would also like detailed, user-friendly directions for faculty and students on how they can import/view course content into their LMS sites respective to the publisher that has been chosen. Lastly, the College is challenged by the state-mandated requirement that it reports all of its textbook adoptions to the Louisiana Board or Regents. We would like a bookstore vendor’s cooperation with regard to collecting the following relevant data on each course the College offers each semester: course abbreviation, course number, section number, book title, edition, publisher, price, format (e-book, print, OER)

17. What signing bonus was paid by the incumbent bookstore vendor? In what year was this paid?

N/A

18. What scholarships were paid for by the incumbent bookstore vendor? In what year were they paid?

N/A

19. Were there any sponsorships or other financial incentives offered? If so, what were they? In what year were they paid?

N/A

Summer 2023: 831

Spring 2023 2,834

Winter 2022 135

Fall 2022 3,293

Summer 2022 648

Spring 2022 2,093

Winter 2021 63

Fall 2021 5,464

Summer 2021 517

1.1.2 4 **Requirement (College Systems)** – What SIS (Student Information System) does NCC use?

The current SIS is Ellucian/Banner.

1.5.G 9 **Financial Proposal** – What are the current financial terms between NCC and the existing vendor?

Currently, there are no financial terms between Nunez and the current vendor. We are looking for the lowest access price possible for students.

6. 45 **Sealed Bid Instructions (Bid Bond)** – Is the bid bond on page 45 of the RFP required for proposal submission? Will the proposal submission be rejected without the purchase of a bid bond? Could a vendor submit alternative solutions, i.e scholarship and/or foundation donations in lieu of purchasing a bid or performance bond?

Yes, the bid bond is required.
