Please find the following addendum to the below-mentioned QUOTE.

Addendum No.: 1

Quote#: 23-37-1

Project Name: Rue Piper Drainage

Bid Due Date: Thursday, October 5, 2023

QUESTIONS & ANSWERS:

Question 1: General notes on items description indicated there is some detail pertaining to milling 1.5" deep and 8' into intersecting asphalt road. We are not able to find the referenced detail. Does this apply, if so, where can this detail be found.

Answer 1: Disregard the note regarding the milling and asphalt.

Question 2: Who is responsible for construction stake out and survey work? Has this already been done?

Answer 2: The contractor is responsible for construction stake out and survey

Question 3: What are the approximate size, measurements or quantity on the clearing and grubbing lump?

Answer 3: Approximately 60'x20'.

Question 4: How deep is the existing pipe for removal and catch basin to be installed?

Answer 4: There is no pipe to be removed and the catch basin will be field fitted
