ADDENDUM #2

Bid Number: 50-00143950

Bid Opening Date: January 9, 2024

Labor, Materials and Equipment Necessary to Remodel the East Bank Outside Maintenance Building for the Jefferson Parish Water Department

Clarification:

Q: What is the location for the two stackable units?

A: The contractor is to locate the best location for the machines, as long as one is in the office area and the other is in the employee lounge area.

Q: Create new break room for reception, what does that include? How many walls and do we need to add a door?

A: The area for the new lounge in the reception area already has walls and does not need a door. It just has to be converted with new counter tops etc.

Q: Locker room bathroom are we removing and replacing the FRP walls?

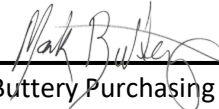

A: I think it would be up to the contractor to know the best option for the walls in the restrooms.

Q: Locker room bathroom are we removing and replacing toilet partitions?

A: The partitions should be replaced, unless the contractor sees a better alternative.

All Addenda must be acknowledged by number.
