

ST. TAMMANY PARISH

MICHAEL B. COOPER
PARISH PRESIDENT

January 24, 2024

Please find the following addendum to the below-mentioned RFP.

Addendum No.: 4

RFP#: 23-12-3

Project Name: Fiberhood 1-B & 1-C

RFP Due Date: January 30, 2024

QUESTIONS & ANSWERS:

Question 1. We already serve more than half of the addresses identified in the RFP, offering them speeds of up to 1 Gbps. We also plan to serve most of the remaining identified addresses through projects associated with our enforceable commitments for state and federal grants. Therefore, to most efficiently deploy taxpayer-funded projects, will the Parish consider proposals to connect unserved and underserved homes in other parts of St. Tammany Parish?

Answer 1. This RFP is only for the area specified within the RFP. Additional RFP's to connect other unserved and underserved areas within St Tammany Parish's will follow
