CODE OF SILENCE:

From the date the RFP is issued; through the time the Agreement is finally awarded by NOLA-PS Elected Officials, Proposers shall not contact any Representatives of NOLA-PS, nor the District Staff, nor their Advisors or Consultants with respect to this RFP, or RFP process, other than to submit questions or protest in accordance with the Instructions to Proposers therein. This prohibition does not apply to questions or comments sent in writing to the Director of Procurement, or questions made at Pre-Proposal conferences, in presentations before evaluation committees, or during contract negotiations. Proposers who violate this Code of Silence may be deemed non-responsive, and their proposal may be rejected for cause.

REQUEST FOR PROPOSAL DOCUMENTS: A complete set of Request for Proposal documents shall be used in preparing proposals; neither the Orleans Parish School Board nor its representatives assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Request for Proposal Documents.

The forms furnished as part of the specifications **MUST** be used for filing of Request for PROPOSALS and must be signed by the proposer. No proposals will be considered unless made on the forms provided and must not be detached from the proposal document of which it forms a part. Failure to follow these instructions may result in your proposal being disqualified.

OBJECTION TO THE AWARD: If any Proposer who submitted a proposal has an objection to the award of the contract to the Selected Proposer, the objecting Proposer shall furnish that protest, in writing, to the Executive Director of Procurement (or Designee) within ten (10) Business Days of the notification of non-award. The protest shall describe in detail the basis for the protest and shall request a determination under this section of the Instructions to Proposers.

If a protest is filed in a timely fashion, the Executive Director of Procurement (or Designee) will review the basis for the protest and relevant facts under such terms and conditions as he considers proper. Upon completion of the review, the Executive Director of Procurement (or Designee) shall submit applicable findings and recommendations to the Superintendent and/or Chief Financial Officer, who shall then review the matter under such terms and conditions, as deemed proper. Upon receipt of authority to act from the Superintendent or NOLA-PS, the Executive Director of Procurement (or Designee) will notify those Proposers involved of its decision. The decision shall be final and binding on the objecting Proposer.

WITHDRAWAL OF BID: Any bid may be withdrawn if clear and convincing sworn, written evidence of obvious mechanical, clerical or mathematical error is furnished by the proposer to the Executive Director of Procurement within 48 hours of proposal receipt.

SUPPLIER PERFORMANCE AND EVALUATION: The proposer, vendor, service provider and/or supplier performance process will involve evaluating the proposer, vendor, service provider and/or supplier's overall quality status, as well as evaluating the quality of each material or service the NOLA-PS wishes to purchase. Prior to the invoice submission, the proposer, vendor, service provider and/or supplier, shall meet with a purchasing representative to discuss and review deliverables and timeline events for said services. Contract with automatic renewals will be based upon the NOLA-PS evaluating and analyzing proposer, vendor, service provider, and/or supplier performance.

DEBARMENT AND SUSPENSION: To ensure that the Orleans Parish School Board does not enter into a contract with a debarred or suspended company or individual, each responsive proposer must include a certification statement with each bid. By signing the certification statement, the proposer certifies that neither it nor any of its principals (e.g., key employees) have been proposed for debarment, debarred or suspended by a Federal Agency. It is the responsibility of each proposer to sign the attached certification statement and submit it with the bid. Failure to comply with this requirement will cause your bid to be disqualified and declared non-responsive.

BACKGROUND CHECK: Contractor will not employ any person to provide services who has been convicted, or pled nolo contendere to, any one of the crimes listed in the Louisiana Child Protection Act. La R.S. 15:587.1 (C). Criminal History Record must be obtained by contractor for all employees to be hired and shall be retained during the duration of the employment. Records are to be updated on an annual basis.

PERFORMANCE INVESTIGATIONS: As part of the proposal evaluation process, the NOLA-PS may make inquiries and investigations, including verbal or written references from the firm's customers, to determine the ability of the firm to provide service.

EMPLOYMENT: It is understood that all employees will be employees of the successful firm(s), including but not limited to the successful firm's subcontractors, partners, etc.

NOTICE TO OFFEROR: The NOLA-PS shall consider the intentional employment by the selected firm of unauthorized aliens in violation of U.S. immigration laws cause for unilateral cancellation of the contract resulting from this RFP.

PROPOSAL FORMAT: Proposals should be prepared simply but completely, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Please carefully read Sections as outlines within the Table of Contents. Emphasis should be on completeness and clarity of content.

SELECTION: Selection shall be made of one or multiple firm(s) deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors contained in this RFP. Fee structure/pricing will be considered, but will be one among many determining factors. The NOLA-PS may cancel this RFP, reject proposals or any portion thereof at any time prior to an award, and is not required to furnish a statement of the reason why a particular qualification was not deemed to be the most advantageous. Should the NOLA-PS determine in writing and in its sole discretion the firm(s) that is fully qualified, or that one firm is clearly more highly qualified than the others under consideration, a contract may be awarded to that firm.

DISADVANTAGED BUSINESS ENTERPRISE (DBE) PROGRAM:

The Disadvantaged Business Enterprise (DBE) Program is race & gender-neutral, and open to all business owners regardless of race, ethnicity or gender. DBE firms currently certified with the Louisiana Unified Certification Program (LAUCP), or the State & Local Disadvantaged Business Enterprise (SLDBE) Program must submit a copy of their certification letter for eligibility with the offer/response to this solicitation. - DBE Certification Letter (for each company)
- DBE Professional Services Compliance Certification Checklist

“DBE Provisions (Attached), which is hereby made a part of this RFP. Failure to include DBE participation; including all signatures and notary, shall cause a firm's proposal to be non-responsive and cause for rejection. **All DBE forms must be properly completed whether or not they are applicable to Proposer.**”

COMPUTED COST SCORE:

The cost evaluation shall constitute ten (10%) percent of the total points assigned and will be based upon standard cost rates submitted by the proposers. The proposer with the lowest cost shall receive the highest cost evaluation score. Other proposers will receive a cost score computed as follows:

$$\text{CSF} = (\text{LPC}/\text{PC} * \text{X})$$

CSF = Cost Scoring Formula
LPC = Lowest proposed cost
PC = Proposer's cost
X= n% of the total number of points assigned

PURCHASES USING FEDERAL GRANT FUNDS (2 C.F.R. 200).

When NOLA-PS seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2C.F.R. 200 (sometimes referred to as the “Uniform Guidance” or new “EDGAR”). (EDGAR FORM ATTACHED)

All Vendors awarded a contract under this proposal must complete the NOLA-PS EDGAR Contract Addendum before a purchase order can be entered as proof of their willingness and ability to comply with certain requirements which may be applicable to specific NOLA-PS purchases using federal grant funds.

This information will be made available to the NOLA-PS for its use while considering their purchasing options when using federal grant funds.

1.2 Purpose

Contractors with experience in Medicaid claiming and billing services in a public school. Contractors are being sought to provide consultation, training, and compliance support to NOLA Public Schools.

1.3 School District Profile

OPSB currently oversees 71 charter schools and a school with two educational programs for students in secure-care facilities

One of the District’s core responsibilities, as a charter school authorizer, is to hold these schools accountable to a set of performance expectations that help ensure every student is provided with a high-quality education.

The vision of the OPSB is as follows: every student receives a high-quality education that fosters their individual capabilities, while ensuring that they thrive and are prepared for civic, social, and economic success.

The District’s geographical boundaries are concurrent with those of the City of New Orleans. The District, however, is a separate entity, independent of the City of New Orleans. The District’s

governing body is a seven-member elected board.

The District serves more than 43,875 students across Orleans Parish. As of February 2022, the student population was approximately 77.41% African American, 10.71% Hispanic, 8.09% White, 1.65% Asian, 1.9% Multi-Racial, and .18% Native American. Further, the District serves a student population that is 86.22% economically disadvantaged. Approximately 7.28% of the students have limited English proficiency.

The District's administration has approximately 269 employees. The District's total proposed general fund budget for 2022-2023 is \$556 million dollars, system-wide, and of that \$35.5 million is allocated to the District's administration.

PROPOSAL REJECTION: NOLA-PS shall have the right to reject any or all proposals and in particular to reject a proposal not accompanied by data required by the RFP or in any way incomplete or irregular, including omission of cost and budget information, i.e. in the best interest of NOLA-PS. Conditional proposals will not be accepted.

CONTRACT AWARD: Award shall be made to the Most Qualified Proposer(s) whose proposal is determined to be the most advantageous; thus, when taking into consideration the evaluation factors set forth in the sections that follow, including overall long-term value to the NOLA-PS. Fees/pricing consideration will not be the sole determining factor. There is no obligation on the part of the NOLA-PS to award a contract.

CONTRACT TERM AND RENEWAL: Contract term will be for a period of one (1) year with an option to renew for two (2) one (1) year additional periods. If warranted terms and conditions for an amendment to the contract will be in writing, negotiable and subject to NOLA-PS approval.

ERRORS: NOLA-PS is not liable for any errors or misinterpretations made in responding to this Request for Proposal.

PROPOSAL SUBMISSION: One electronic original Proposal document to be submitted as per date and time established/set within this Request for Proposal.

INQUIRIES: NOLA-PS will not give verbal answers to inquiries regarding the Request for Proposals, or verbal instructions prior to the award of a contract. A verbal statement regarding same by any person shall be non-binding. The NOLA-PS is not liable for any increased costs resulting from the acceptance of verbal direction. Cost or problems associated with misinterpretation of the intent of the NOLA-PS will be the responsibility of the proposing firm.

All inquiries must be in writing and addressed to: Paul A. Lucius, Executive Director of Procurement at procurement@nolapublicschools.com. All inquiries will be answered in the form of an addendum after the pre-proposal meeting. No contact in any form or manner is to be made with any employee of the District except through the Executive Director Of Procurement. Violation of this provision shall be considered grounds for disqualification.

REQUEST FOR PROPOSAL DOCUMENTS: A complete set of Request for Proposals documents shall be used in preparing proposals. Neither the Orleans Parish School Board, nor its representatives assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Request for Proposal Documents.

OPEN COMPETITION: NOLA-PS encourages free and open competition. Whenever possible, specifications and proposal terms and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the needs of the NOLA-PS and to guarantee an economically sound

solution. The signature on this proposal guarantees that the prices quoted have been established without collusion with other firms and without effort to preclude the NOLA-PS from obtaining the best possible competitive value. The firm certifies that neither its officers nor its employees have bribed or attempted to bribe or influence in any improper manner any officer, employee or agent of the NOLA-PS.

PREPARATION EXPENSE: All proposals submitted in response to this RFP must be submitted at the sole expense of the proposing firm, irrespective of the final decision of the NOLA-PS as to contract award.

TITLE VI SOLICITATION NOTICE:

NOLA-PS, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all Proposers that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation, and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

EVALUATION PROCEDURES:

All proposals will be evaluated by the RFP Evaluation Committee that will conduct an independent, objective evaluation of proposals for Medicaid Billing Services. All members of the Evaluation Committee must execute a disclosure certifying they do not possess a conflict of interest with any of the proposers. Before beginning the evaluation process, the Evaluation Committee must review the RFP, concerning not only the scope of work but also the qualifications and the evaluation criteria. See Evaluation criteria – Section 6.0.

The purpose of the Evaluation Committee is to conduct an independent, objective evaluation of Request for Proposals for Medicaid Billing Services.

REVIEW AND EVALUATION OF PROPOSALS:

A Finance Department representative shall serve as the Evaluation Committee coordinator and is solely responsible for disseminating all information received during the RFP evaluation process. After completion and tallying of the technical evaluation scores, each Evaluation Committee member shall sign and date his/her individual score sheet.

NOLA-PS will evaluate proposals on a qualitative basis. This includes our review of the firm(s) proposal and related materials for evidence of prior experience, value-added services beyond the scope of work, qualifications of staff to be assigned to the project, cost effectiveness, and the Proposer's completeness and timeliness in its response, etc.

After registering, you will receive a confirmation email containing information about joining the meeting. ALL NOLA Public Schools solicitations/addendums can be found on NOLA-PS website at: www.nolapublicschools.com. Click Community/business resources/solicitations.

ADDENDUM TO REQUEST FOR PROPOSAL: NOLA-PS reserves the right to revise and amend the specifications prior to the date set for the opening. Proposers are requested to clarify any ambiguity,

conflict, discrepancy, omission or other error(s) in this RFP in writing and request the modification or clarification desired. NOLA-PS will issue an addendum to evidence any revisions or amendments made to this RFP. As a courtesy, every effort will be made to send an issued addendum to the parties known to have been furnished a complete copy of this RFP. Addenda are made available on the NOLA-PS website under community/business resources/solicitations. Please acknowledge receipt of addendum on Signature Page. **Failure to acknowledge all Addenda will result in the proposal being rejected.**

No addendum will be issued later than **Friday, February 16, 2024 or 72 hours prior to proposal due date**, except an addendum withdrawing the proposal or postponing the opening of the proposal. 1. DBE participation will be counted toward meeting the goals as follows:
 - a. The total dollar value of a direct contract or subcontract or indirect subcontract awarded to a certified DBE will be counted toward the applicable goal.
 - b. In the case of a joint venture, the portion of the total dollar value of the contract equal to the percentage of the ownership and control of the DBE in the joint venture will be counted toward the applicable goal.
 - c. Only DBEs that perform a commercially useful function in the work of a contract or subcontract or indirect subcontract will be counted toward the DBE goals. A DBE is considered to perform a commercially useful function when it is responsible for execution of a distinct element of work of a contract or subcontract and carries out its responsibilities by performing, managing, and supervising the work involved. If a DBE contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the DBE is presumed not to be performing a commercially useful function. The DBE may present evidence to rebut this presumption.

- d. The total dollar value of materials and supplies obtained from DBE suppliers and manufacturers will be counted toward DBE goals if the DBE assumes the actual and contractual responsibility for the provision of the materials and supplies.
- e. OPSB through the DBE Executive Director will review the contractor's DBE involvement efforts throughout contract performance. Such review will include but will not be limited to, the contractor's and the DBE's quarterly statements of income from the District which shall document the portion of said income paid to DBE. Upon receipt of all information relative to and closing of the Response process the DBE Committee consisting of the DBE Executive Director, the Procurement Director and the Head of the Department seeking the Procurement, and in the case of Capital Projects the Executive Director of Facilities/Capital Projects/Operations shall then make a

recommendation to the Superintendent as to whether the lowest Respondents/offeror has agreed to satisfy the DBE contract goal, or if not has demonstrated satisfactory good faith efforts to satisfy the DBE contract goal. In determining the percentage of participation by certified DBEs, the DBE Committee shall consider the following:

- a. The type or nature of the work required under the contract

ORLEANS PARISH SCHOOL BOARD

DISADVANTAGED BUSINESS ENTERPRISE (DBE) REPORTING OVERVIEW

I. Responsiveness Reports

- A. During the RFP/RFQ Procurement process, the Most Qualified Respondents shall submit DBE Responsiveness Forms 1 & 2, as attachments with proposals for professional services before the submittal deadline. Failure to properly complete this form may constitute the Respondent as being non-responsive and sufficient cause for rejection from the scoring process.

- II. Professional Services Reports will be used to set a baseline of anticipated DBE participation and document Good Faith Efforts used to reach established goal. The Prime Contractor must submit the Professional Services Reports at the pre-mobilization meeting or ten (10) days prior to mobilization. All Subcontractors with contracts over \$50,000 must submit Professional Services Reports no later than ten (10) days prior to mobilizing on respective contracts.

A. **Contracting Schedule – DBE Participation Commitment**

This report will indicate anticipated DBE participation as percentage of total Response/contract and must be substantiated by **Monthly Compliance Reports**. However, *anticipated* DBE participation will not suffice for DBE compliance. *Actual* participation (i.e., payments made), coupled with Good Faith Efforts, determines DBE compliance.

B. **Good Faith Efforts**

This report will allow Contractors and Subcontractors to demonstrate the good faith efforts used to reach DBE participation goal prior to mobilization. It will also allow them to specify which DBEs were contacted, methods of communication, and outcome. Moreover, this report will provide information needed to verify efforts with DBEs listed on report.

C. **Anticipated DBE Mobilization & Completion Dates**

Prime Contractor must provide a mobilization strategy of anticipated DBE participation for this project. Plan shall incorporate actions to be taken by the Respondent proposed Subcontractors/Subconsultants, and shall correlate with project schedule submitted to the Owner/Owner's Representative. Respondents must submit form within 10 days before mobilization. Respondents must submit form within 10 days after notice to proceed. Provide attachments if necessary.

D. **Professional Service Cover Letter**

If DBE participation goal is not met at the mobilization phase, Contractor and Subcontractors must also submit a cover letter, on company letterhead, including any relevant information explaining the circumstances surrounding the failure to meet DBE participation goal at the mobilization phase. Cover letter must also include specific information regarding Contractor and Subcontractor plan of action to continue good faith efforts in pursuit of OPSB's DBE Participation Goal until Contract buy-out is 100% complete.

III. Monthly Contractor Compliance Certification will be used to certify Contractor's compliance with all Disadvantaged Business Enterprise, Equal Employment Opportunity, and Affirmative Action Provisions. It will also certify that all information contained in Monthly Compliance Reports (DBE Reports I-IV) is true and correct. Rather than having each DBE Report notarized separately, each notarized Contractor Compliance Certification will be sufficient for the Monthly Compliance Report for Contractor and respective Subcontractors.

IV. Monthly DBE Compliance Reports will be used to track Contractor and Subcontractor actual DBE participation, payments to DBEs, on-going good faith efforts to engage DBEs, and EEO/Affirmative Action compliance. Subcontractors and Subconsultants must submit Monthly DBE Compliance Reports to Prime Contractor by 7th day following the end of the previous month. Prime Contractor must submit the combined report to Owner and Owner's Program Manager with monthly pay application/invoice, or by the 14th day following the end of the previous month. Failure to complete all DBE reports properly or late submittal, may constitute the Respondent as being Non-Responsive, and sufficient cause for Non-Compliance.

A. DBE Report I: Contracting Compliance

This report will show actual DBE participation and payments for both the reporting month and the contract to date. It will also collect information pertaining to individual vendors including subcontractor contact information, DBE status, scope(s) of work, contract amount, contract start date, and scheduled completion date. Contracting Compliance Reports will be compared to Contracting Schedules to determine whether or not *anticipated* DBE participation commitment is realized. *Anticipated* DBE participation will not suffice for compliance goals. *Actual* DBE participation must be confirmed. Contractor and Subcontractor must also specify the percentage of contract/subcontract buy-out complete as of last day of report month (e.g., 30%, 50%, 75%, 90%, etc.).

B. DBE Report II: Good Faith Efforts (GFE)

This report will allow Contractors to indicate the good faith efforts used to reach DBE participation goal during report month (i.e., if contract is *not* completely bought out, good faith efforts should continue throughout the project thru substantial completion—see Pre-Construction Cover Letter). It will also allow Contractors to specify which DBEs were contacted, methods of communication, and outcome.

Meticulous (i.e., Parts A-C completed) Good Faith Efforts Reports will be required for all Contractors and Subcontractors throughout the buy-out period for respective contracts. Once contracts are bought out, shortened (i.e., Part C only completed) Good Faith Efforts Reports will satisfy monthly GFE reporting requirements. However, if a Subcontractor is released prematurely (i.e., before scope of work for contract is complete) Good Faith Efforts must resume, along with exhaustive GFE reporting, if Contractor intends to re-compete remaining subcontract. Contractor must also request a *Subcontractor Release Notification Form*, from OPSB Procurement Office, for each subcontractor that is released prematurely.

C. DBE Report III: Affirmative Action Steps/Equal Employment Opportunity Efforts

This report will allow Contractors to indicate affirmative actions taken and efforts made toward equal employment opportunity.

D. DBE Report IV: Minority/Female Participation

This report will collect the payroll and demographic information needed to determine minority and female participation in each Report Month. It will also correlate with certified payrolls for Pay Applications from preceding month as a means of verifying veracity.
