ADDENDUM I

TO: ALL POTENTIAL PROPOSERS

RE: RFP #: 3000022738, Mid Basin Sediment Diversion Program (BA-0276, BA-0153, and BS-0030) Program/Project Management Support Services

PROPOSAL DUE DATE: May 14, 2024 @ 3:00PM

I. QUESTIONS AND RESPONSES

1.	Q.	<p>We have a clarifying question regarding the section below:</p> <p><i>"CPRA considers any firm currently affiliated with the Engineering and Design, Environmental Impact Statement (EIS), Safety Assurance Review (SAR), Independent Cost Estimator (ICE) and Construction Management At-Risk (CMAR) contracts or tasks for the both Mid-Barataria and Mid-Breton Sediment Diversion Projects to be ineligible for selection of the Mid-Basin Sediment Diversion Program/Project Management Support Services contract."</i></p> <p>[Contractor] is currently serving in a limited, subcontractor role conducting the public engagement tied to Mid-Breton EIS Mid-Breton TPC EIS - Phase 2 project. Does this scope disqualify [Contractor] from submitting on this opportunity? Thank you for your time, we look forward to your response.</p>
	A.	Yes, this would disqualify [Contractor] from submitting on this opportunity.
2.	Q.	Please confirm that For Volume II, Financial Information, providing 3 years of Item 8 (Financial Statements and Supplemental Data) from our SEC 10-K Annual report in lieu of the entire SEC 10-K Annual report is acceptable.
	A.	Yes, provided the Proposer submits the past three (3) full twelve-month periods of item 8 of the SEC 10-K report.
