**Terms and Conditions:**

This solicitation contains all terms and conditions with respect to the commodities herein. Any vendor contracts, forms, terms, or other materials submitted with bid may cause bid to be rejected.

**Vendor's Forms:**

The purchase order is the only binding document to be issued against the contract. Signing of vendor's forms is not allowed.

**Acceptance:**

Unless otherwise specified, bids on the contract will be assumed to be firm for acceptance for a minimum of 60 days. If accepted, prices must be firm for the specified contract period.

**Prices:**

Prices shall be complete, including transportation/freight charges prepaid by bidder to destination, inside delivery, unpacking, assembly of all components and removal of all associated debris from premises. Prices should be quoted in the unit (each, box, case, hour, flat, mile, etc.) as specified in this solicitation.

**Price Reductions:**

Whenever there is a reduction in price, which is lower than the contract price, offered to similarly situated customers contracting for the same period and under the same terms and conditions, said reduction must be presented directly to the Office of State Procurement. No price reduction on a statewide contract may be offered to an Agency unless that reduction is offered to all Agencies.

**Payment:**

Payment will be made on the basis of unit price as listed in the contract; such price and payment will constitute full compensation for furnishing and delivering the contract commodities. In no case will the State Agency refuse to make partial payments to the Contractor although all items have not been delivered. This payment in no way relieves the Contractor of his responsibility to

## **Attachment A – Standard Terms and Conditions**

**RFx 3000022717**

effect shipment of the balance of the order. Payment will be to vendor and address as shown on order.

### **Invoices:**

Invoices will be submitted by the Contractor to the using Agency and the invoice shall refer to the delivery ticket number, delivery date, purchase order number, quantity, unit price, and delivery point. A separate invoice for each order delivered and accepted shall be submitted by the Contractor in duplicate directly to the accounting department of the using Agency. Invoices shall show the amount of any cash discount and shall be submitted on the Contractor's own invoice form.

### **Contractual Period:**

The State of Louisiana intends to award all items for an initial period, not to exceed 12 months. Delays in awarding, beyond the anticipated starting date, may result in a change in the contract period. If the situation occurs, an award may be made for less than 12 months.

### **Renewals:**

At the option of the State of Louisiana and acceptance by the Contractor, the contract may be extended for two additional 12 month periods at the same prices, terms and conditions. Total contract time may not exceed 36 months.

### **Quantities:**

This is an open-ended requirements contract. Quantities shown are based on the previous contract usage or estimates. Where usage is not available, a quantity of one indicates a lack of history on the item. The successful bidder must supply at bid prices actual requirements as ordered whether the total of such requirements is more or less than the quantities shown.

### **Orders:**

DPS is to issue contract purchase orders for the items required, as and when needed.

### **Electronic Vendor Payment Solution:**

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and the Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from State Agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all Statewide and Agency Term Contracts:

**Attachment A – Standard Terms and Conditions**  
**RFx 3000022717**

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against the contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at [DOA-OSRAP-EFT@la.gov](mailto:DOA-OSRAP-EFT@la.gov).

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
