

INVITATION TO BID		BID DUE DATE AND TIME	
BOARD OF SUPERVISORS OF LOUISIANA STATE UNIVERSITY AND AGRICULTURAL & MECHANICAL COLLEGE		06/20/2024 11:00 AM CT	
SOLICITATION RFQ-0000002231 SUPPLIER # SUPPLIER NAME AND ADDRESS <div style="border: 1px solid black; height: 100px; width: 100%; margin-top: 10px;"></div>		RETURN BID TO lsubids@lsu.edu Buyer Jene Troxclair Ledet Buyer Phone Buyer Email jeneledet@lsu.edu Issue Date 05/12/2024	
TITLE: Microsoft Licensing - Term Contract			
ADDENDUM 03: Notice is given to all parties that this Solicitation is amended by the University as stated herein. This Addendum is hereby made an official part of this solicitation. BID DUE DATE AND TIME IS HEREBY EXTENDED FROM 06/13/24 AT 11:00 AM TO 06/20/24 AT 11:00 AM. Additional Special Terms and Conditions have been added, per the attached. Pricing requests are hereby revised, per the attached revised price sheets. The revised price sheets must be used for bid response. Supplier inquiries have been received and responses are offered, per the attached.			
To Be Completed By Supplier			
1. _____ "No Bid" (sign and return this page only). 2. _____ My Company does not wish to receive future solicitations for this spend category. 3. Specify your Delivery: To be made within _____ days after receipt of order. 4. If applicable, Supplier's Addendum Acknowledgement/Response: As an authorized agent/signatory of the supplier, I/we acknowledge receipt of this Addendum, and _____ submit no alterations/clarifications to our original bid. _____ submit superseding revisions/clarifications to our original bid as written herein or attached hereto.			
General Instructions to Suppliers			
1. Sealed bids for furnishing the items and/or services specified are hereby solicited, and will be received by LSU Procurement at the "Return Bid To" address stated above, until the specified due date and time. 2. Read the entire solicitation, including all terms, conditions and specifications. 3. All bid information and prices must be typed or written in ink. Any corrections, erasures or other forms of alteration to unit price are to be initialed by the supplier. 4. Bid prices are to be quoted FOB LSU/Destination and inclusive of any and all applicable shipping and handling charges unless otherwise specified in the solicitation. Any invoiced delivery charges not quoted and itemized on the LSU purchase order are subject to rejection and non-payment. 5. Payment is to be made within 30 days after receipt of properly executed invoice, or delivery and acceptance, whichever is later. 6. By signing this solicitation, the supplier certifies compliance with all general instructions to suppliers, terms, conditions and specifications; and further certifies that this bid is made without collusion or fraud.

Addendum 03

The following is hereby added to the Special Terms and Conditions:

- Supplier must be a designated Microsoft Licensing Solutions Provider (LSP) to be considered for award.
- Method of Award: Revised to: All or None – Bid shall be awarded to the lowest responsible and responsive supplier for all items. A sealed pricing model shall be used to determine the supplier quoting the lowest cost. The sealed pricing model will be made available on or after the bid due date.

Price Sheet Revisions:

- Bid pricing is hereby revised. Supplier must provide the percentage mark up on the cost that the LSP receives from Microsoft. The mark-up is limited to four decimal places. If percentage is submitted for more than four places behind the decimal, it will be rounded up or down to the nearest ten thousandth. See revised price sheets, which must be used for response.
- The awarded LSP must send a full price sheet, provided by Microsoft to the LSP, along with invoices once prepared, to the LSU A&M. These documents will be used to ensure compliance with the bid mark up percentage.
- The product description for the prior lines 3 and 12 have been changed on the attached revised price sheets.
- A new SKU has been added, SKU LM7-00017 - Teams Domestic Calling Plan Edu Sub Phone System Per User.
- The SKUs for prior lines 13, 14, and 54 have been deleted from the price sheets. These items are to be quoted under item 52. The SKUs for prior line items 2, 4, and 41 have been deleted from the price sheets. These items are to be quoted under item 51.
- See updated spreadsheets to reflect revised items and quantities by institution.

Supplier Inquiry and Response:

Q1) Can you tell me if Microsoft is going to allow for the "Platform" items listed on the Price Sheet? Specifically, looking at the following items:

CISsvrPltfrmEDU ALNG LicSAPk MVL 2017EES
Part number: HVK-00001

CoreSvrPltfrm ALNG LicSAPk MVL 2017EES
Part number: HAF-00008

SQLSvrPltfrm ALNG LicSAPk MVL 2017EES
Part number: NEF-00003

A1) These items have been removed from the price sheet. If LSU needs these (or similar items) during the term, the price LSU will pay will be calculated by applying the mark up percentage for line item 51.

Q2) Has Microsoft offered any special pricing amendments or any other amendments? We want to make sure our response to the attached is all encompassing and need to ensure we have the ability to price the aforementioned items.

A2) This will be a new contract and concessions haven't been determined. LSU has revised the way we are asking for pricing, per the attached revised price sheets.

Q3) On page #2, section 3. Method of Award, the RFP states that "all or None- Bid shall be awarded to the lowest responsible and responsive supplier for all items." Is it LSU's intention to award solely based on lowest price, or will other considerations such as value-add offerings be considered for the award?

A3) Award will be made to the lowest responsible and responsive supplier. No other considerations such as value-add offerings will be considered.

Q4) Under LSU's current Master Campus and School Agreement, and individual EES licensing enrollments for each of LSU's 8 institutions, are there any custom terms and conditions amendments or discount pricing amendments that are currently in place with Microsoft that will flow to the new contracted agreement term? If so, please provide copies of all custom terms and discount amendments associated with LSU's Mater Campus and School Agreement and individual EES enrollments that are in place with Microsoft.

A4) This is currently undecided with Microsoft. LSU has revised the way we are asking for pricing, per the attached revised price sheets.

Q5) Is LSU intending to establish new EES enrollments for each of the 8 institutions with the awarded vendor, or is it intending to extend the current EES enrollments that are in place with Microsoft?

A5) LSU enrollments that are currently in place will remain as is.

Q6) LSU has included part # LM7-00002 (DmstcCallingPlanEDU ShrdSvr ALNG SubsVL MVL PerUsr 120min) on their RFP, however that SKU is not currently listed on the Microsoft June 2024 EES US pricelist. Has Microsoft provided LSU with a new part number and product description to use for purposes of the RFP and the licenses to be renewed?

A6) Part # LM7-00002 has been deleted from the price sheet. A line item for SKU LM7-00017 Teams Domestic Calling Plan Edu Sub Phone System Per User has been added to replace this deleted item.

Q7) LSU has included part # KEX-00001 (Dyn365EMktgAdCtctT1EDU ShrdSvr ALNG SubsVL MVL Addon) on their RFP, however that SKU is not currently listed on the Microsoft June 2024 EES US pricelist. Has Microsoft provided LSU with a new part number and product description to use for purposes of the RFP and the licenses to be renewed?

A7) These items have been removed from the price sheet. If LSU needs these (or similar items) during the term, the price LSU will pay will be calculated by applying the mark up percentage for line item 52.

Q8) LSU has included part # KPJ-00002 (Dyn365EMktgAttachEDU ShrdSvr ALNG SubsVL MVL) on their RFP, however that SKU is not currently listed on the Microsoft June 2024 EES US pricelist. Has Microsoft provided LSU with a new part number and product description to use for purposes of the RFP and the licenses to be renewed?

A8) These items have been removed from the price sheet. If LSU needs these (or similar items) during the term, the price LSU will pay will be calculated by applying the mark up percentage for line item 52.

Q9) LSU has included part # AAN-20979 (Win Server Std Core Ext Security 2012 16 Core Y1 (October 2023-2024)) on their RFP, however that SKU is not currently listed on the Microsoft June 2024 EES US pricelist. Has Microsoft provided LSU with a new part number and product description to use for purposes of the RFP and the licenses to be renewed?

A9) These items have been removed from the price sheet. If LSU needs these (or similar items) during the term, the price LSU will pay will be calculated by applying the mark up percentage for line item 52.

Q10) We're unable to quote the exact part numbers listed on the RFQ. Would the buyer consider equivalent products under a 3-year Open Value program?

A10) No.

Q11) For the Azure prepay SKU, is there any way we could get a list of the resources LSU plans to use in Azure. We are having a hard time locating the SKU.

A11) The requested Azure Prepaid Credit is to cover existing Azure resources. We want to ensure the supplier has a mechanism for additional prepaid credits purchase(s) as needed at the contracted rate if the Azure environment cost increases above the beginning of the fiscal year prepaid credits purchase.

Q12) I've been working with my MS team on this, and they wanted to know if LSU has any amendments with pricing concessions from Microsoft.

A12) This will be a new contract and concessions haven't been determined. LSU has revised the way we are asking for pricing, per the attached revised price sheets.

Q13) Please confirm if the vendor is expected to submit the pricing invitation to the given bid document.

A13) Yes, pricing must be included in bid response. See number 3 of the standard terms and conditions for additional information.

Q14) Do we need to submit the entire document in its entirety, or are just the first page and the pricing page sufficient as the vendor response?

A14) The first page and all pricing pages are sufficient.

Q15) Some of the items appear to be using internal names instead of the typical Microsoft names. Are you able to provide a list of the actual Microsoft product names?

A15) Microsoft has confirmed all product names are accurate according to their price sheets, except for PRY-00001, which has been revised to Dataverse Database Capacity AO Edu Sub and DEG-00003, which has been revised to D365 Customer Service Edu Sub Per User These have been updated on the revised price sheets.

Q16) There are products on here that require amendments from Microsoft in order to be purchased. For example HVK-00001 - CISSvrPltfrmEDU ALNG LicSAPk MVL 2017EES and HAF-00008 - CoreSvrPltfrm ALNG LicSAPk MVL 2017EES. These products are typically heavily discounted. We really need to know what amendments they have or will have in place that would affect their pricing in order to be able to provide an accurate quote.

A16) These items have been removed from the price sheet. If LSU needs these (or similar items) during the term, the price LSU will pay will be calculated by applying the mark up percentage for line item 51.

Q17) I am also confused as to why both of these skus (HVK-00001 - CISSvrPltfrmEDU ALNG LicSAPk MVL 2017EES and HAF-00008 - CoreSvrPltfrm ALNG LicSAPk MVL 2017EES) are on the list and not just one or the other.

A17) Each campus has unique licensing needs. Both LSU Alexandria and LSU Shreveport use license HAF-00008, whereas LSU A&M, LSU Ag Center, LSU Eunice, LSU HSC New Orleans, and LSU HSC Shreveport use HVK-00001.

Q18) A lot of the part # are listed multiple times with different quantities. Do they have several different agreements and have combined everything into one quote? It's ok if they do that for the RFP process, but at some point the individual enrollments would have to be split onto separate orders.

A18) These licenses are being bid on one ITB for the entire LSU campus system, but each campus has its own unique Microsoft Agreement number (see revised spreadsheets for each Enterprise Agreement #). In the past, it has not been an issue for the reseller who is awarded the bid to generate individual quotes to meet each campus's licensing needs. If a SKU is listed more than once on the ITB Price Sheet, then that license is needed to be offered differently (ex: Item No. 4 - QLU-00002 - Defender Endpoint P2 Edu Sub Per User is needed as both an Additional Product Offering and as a Faculty Offering on Line No. 5).

Q19) Would LSU accept bids leveraging an existing cooperative agreement in lieu of the terms and conditions of the RFQ?

A19) No.

Q20) We are working on the response to the Microsoft response and was wondering if we had permission to access LSUs Microsoft licensing. This would be through Microsoft.

A20) No, all campus licensing needs are listed in the revised spreadsheets attached.

Q21) Are you currently in an EA?

A21) Yes, each campus and its associated Enterprise Agreements are listed in the bid, see revised spreadsheets, with the institution in the headers of each spreadsheet.

Q22) Are you currently purchasing through volume or open value?

A22) Volume.

Q23) Does LSU have SKUs that require renewal for Software Assurance?

A23) The revised price sheets include all skus needed for software assurance renewals. No items require their own separate renewal.

Q24) Confirm faculty count for student use benefit licensing - can we request the SKU list they currently have through VLSC?

A24) See revised spreadsheets where we have provided the current license counts - faculty and student - for each campus and their associated Enterprise Agreements. The SKUs provided to LSU are listed in the spreadsheets in the column "Mfr #".

Q25) Can you confirm the Azure resources that you would like to spin up

A25) The requested Azure Prepaid Credit is to cover existing Azure resources. We want to ensure the supplier has a mechanism for additional prepaid credits purchase(s) as needed at the contracted rate if the Azure environment cost increases above the beginning of the fiscal year prepaid credits purchase.

Q26) For this quotation, will the University be managing the licensing or is management of the licensing required as part of the bid? If management is required, are there any specifications on how the management is to be handled? If no management is required, is this bid just for the licensing as specified for each item?

A26) This bid is just for the licensing as specified for each item; LSU manages its own licensing.

Q27) We're looking at submitting a proposal for the LSU Baton Rouge RFP #50001-2231, and noticed some of the part numbers may be out of date. Is LSU working on these with Microsoft and planning to release a new pricing sheet? Or is there a different course of action we should take?

A27) Items that are not currently available from Microsoft have been removed from the bid. If LSU needs these (or similar items) during the term, the price LSU will pay will be calculated by applying the mark up percentage for line item 51 or 52.
