**Addendum No.: 1**

**Quote#: 24-23-1**

**Project Name: Victoria Park Subdivision Drainage Repair**

**Quote Due Date: Tuesday, July 9, 2024**

### **QUESTIONS & ANSWERS:**

---

**Question 1:** How deep is the existing pipe for removal and catch basin to be installed?

**Answer 1:** The existing pipe is 1-2 feet deep. The catch basin will roughly be 2-3 feet deep.

**Question 2:** It looks like the project signage information details have been omitted, but the bid forms talk specifically in bold about “including project signs”. Is project signage required?

**Answer 2:** “Attachment-C” – Signage Instructions is omitted because it is for large capital projects. The project signs required for this project are described in Item# 713-01 on the specification sheet.
